Dedication

R. Kirk Walker, Jr., has established himself as one of the most popular and respected members of the faculty of Montgomery Bell Academy. His sense of humor and his conspicuous lack of pretentiousness render his classroom a uniquely enjoyable experience at MBA; his understanding of and sincere concern for the intellectual development of each of his students leaves a positive impression not soon forgotten by those who have the privilege of learning under him. Most importantly, despite his invaluable work teaching English, speech, and journalism; advising the newspaper and the annual; and acting as head dragoon of the mighty intramural soccer program, Mr. Walker still unselfishly finds the time to help any student out, and to do so well. The editors proudly dedicate *The 1976 Bell* to Mr. Walker.

The 1976 Bell

Life on the Hill

It involves . . .

. . . dark old buildings on bright days, and garish bumper stickers, and . . .

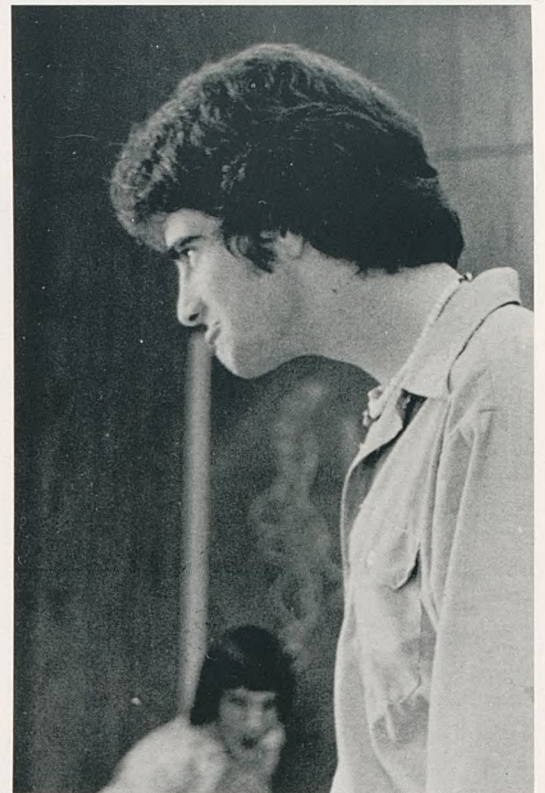

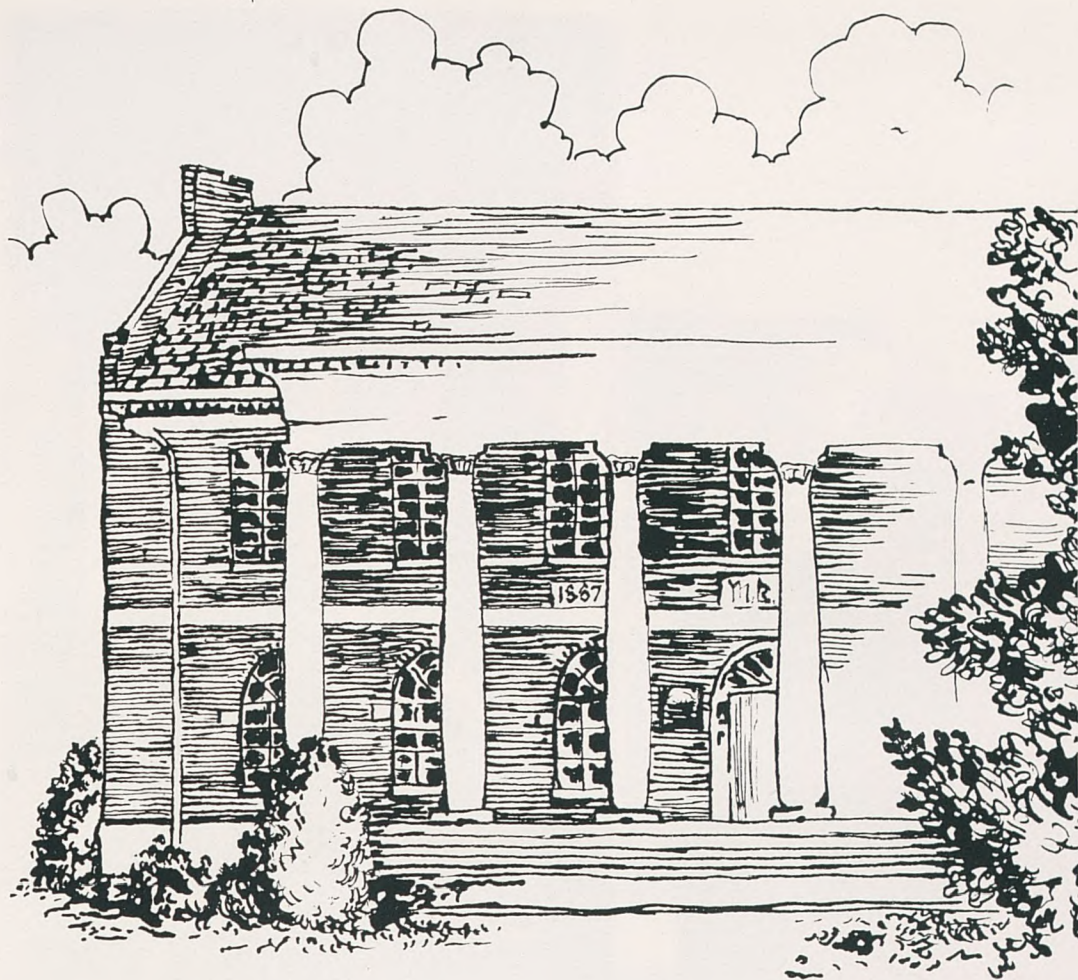

... silent carrels, and red exits, and ...

... chilly nights, and misty mornings, and ...

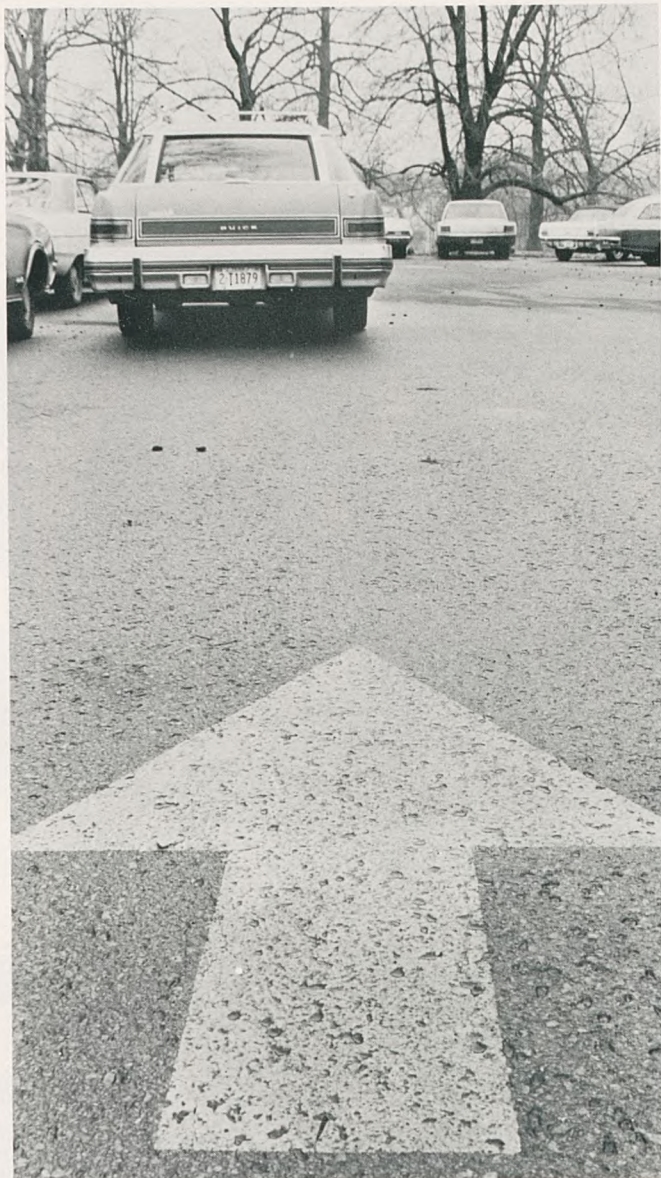

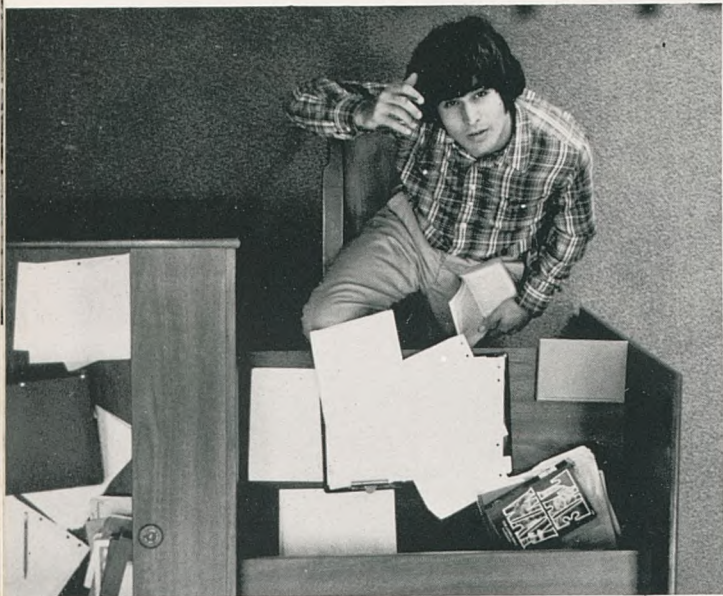

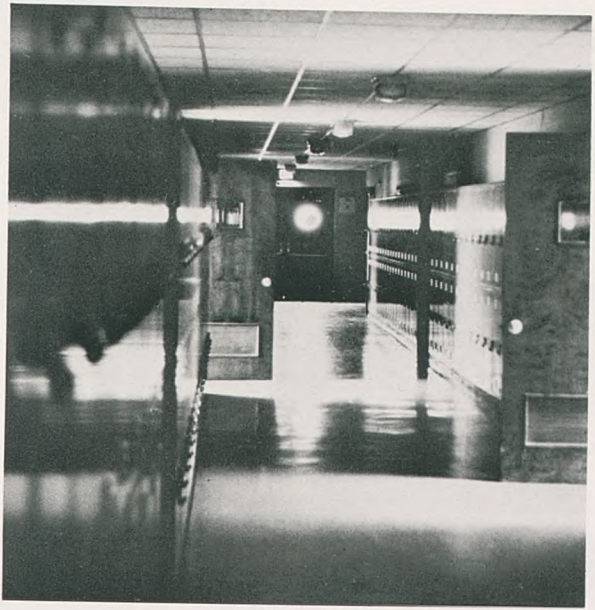

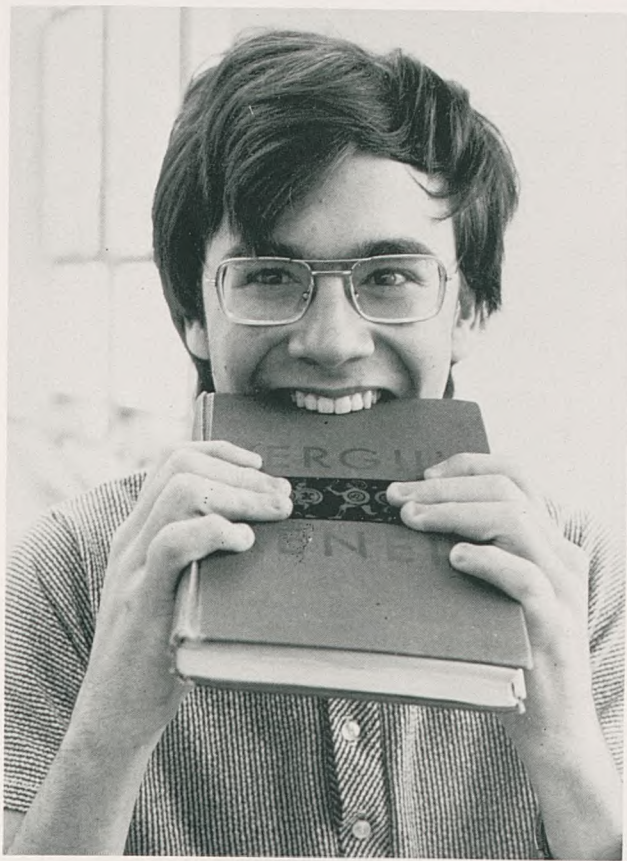

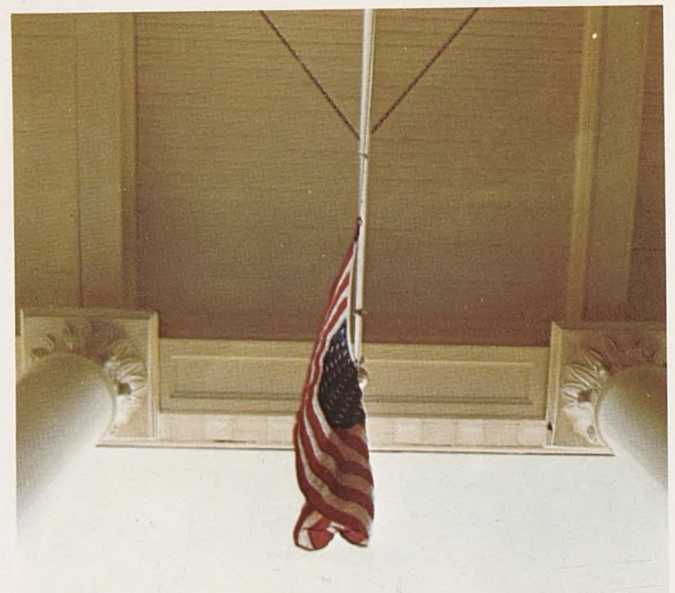

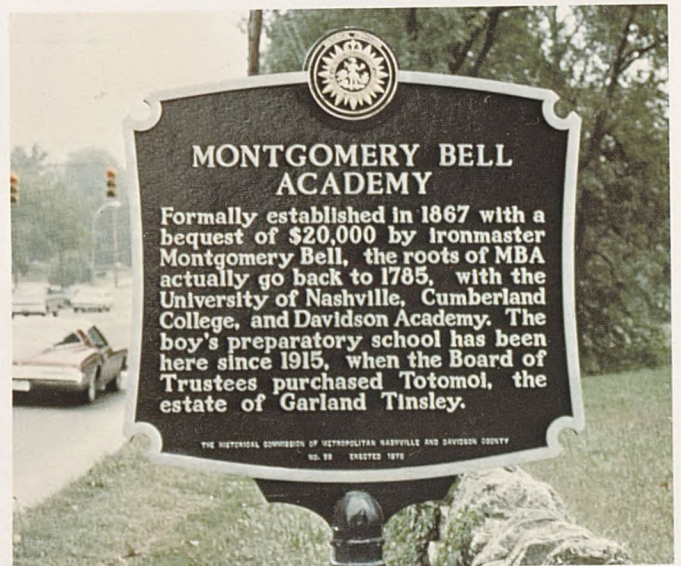

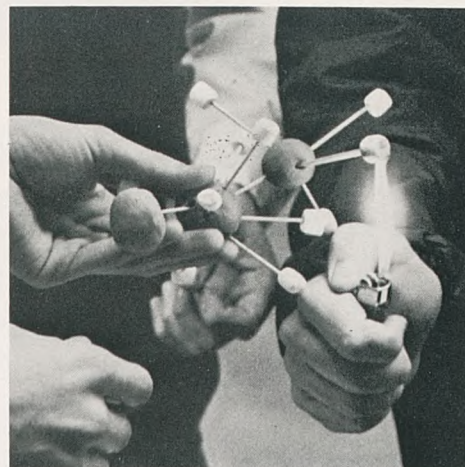

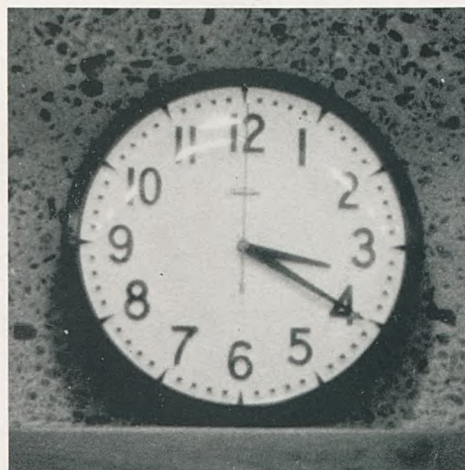

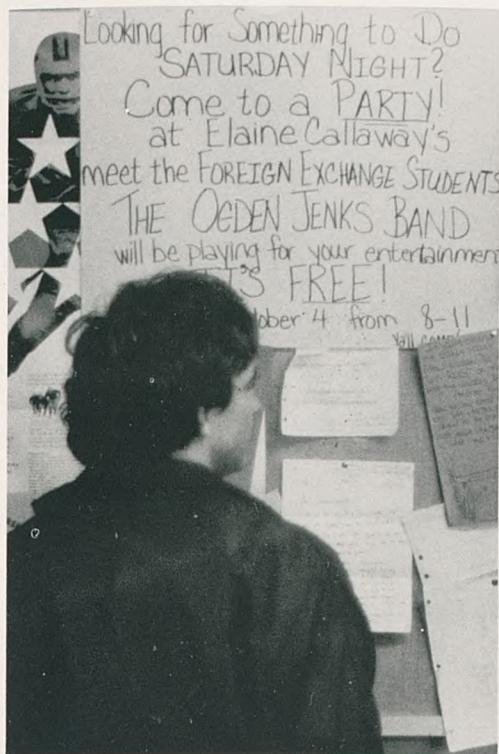

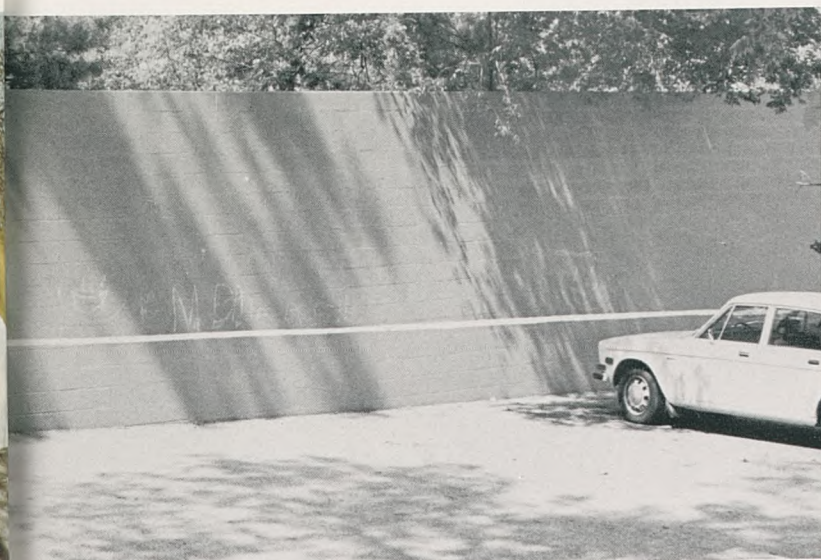

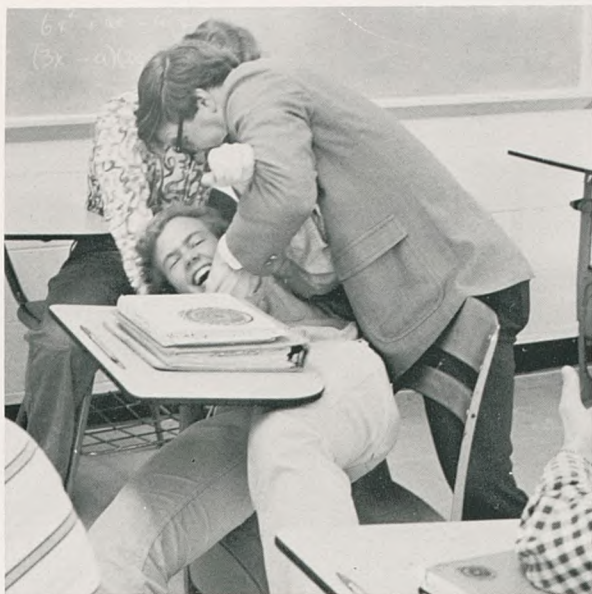

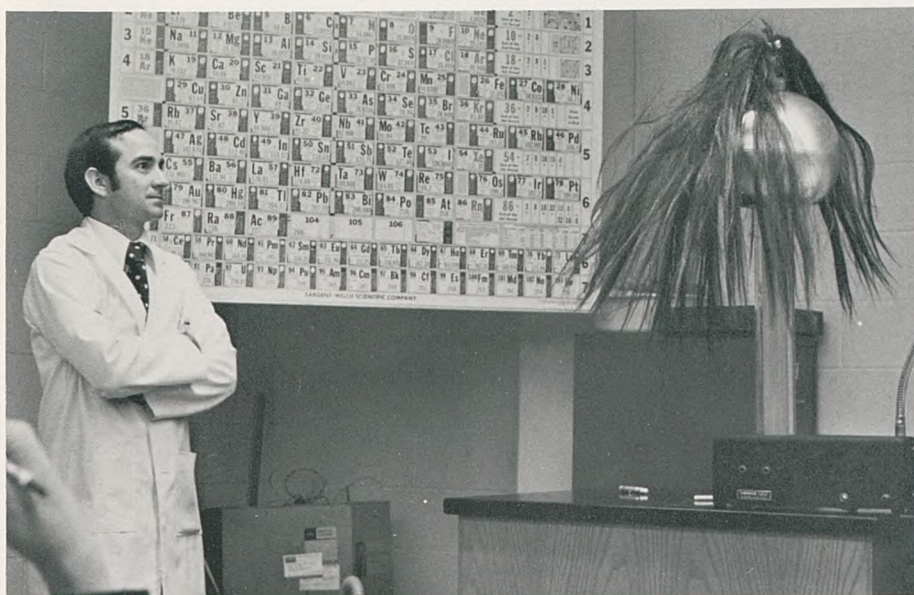

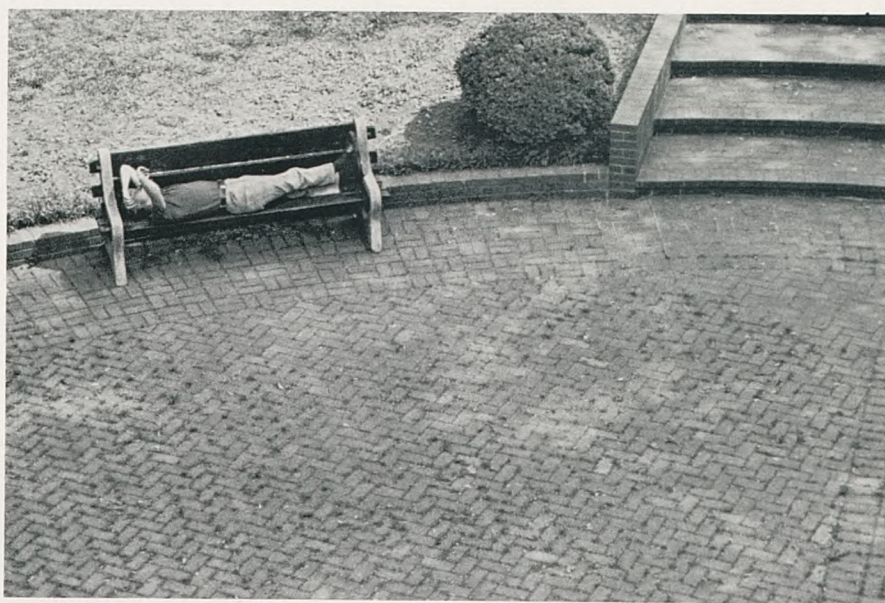

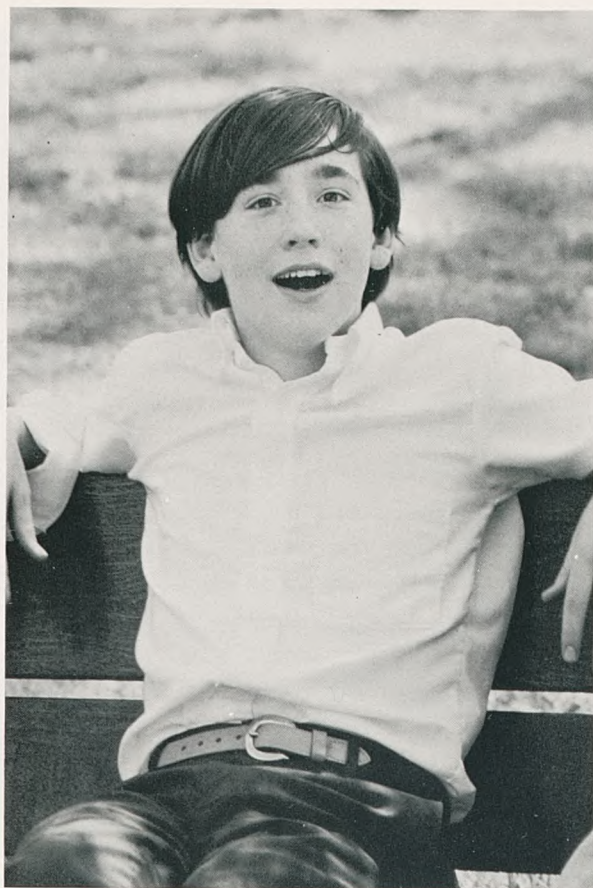

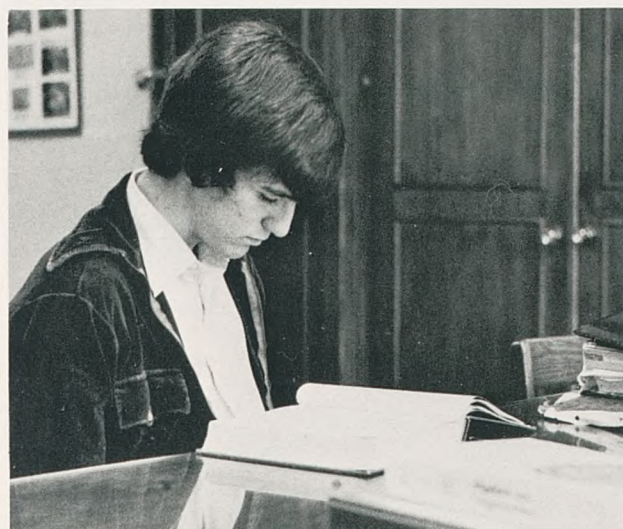

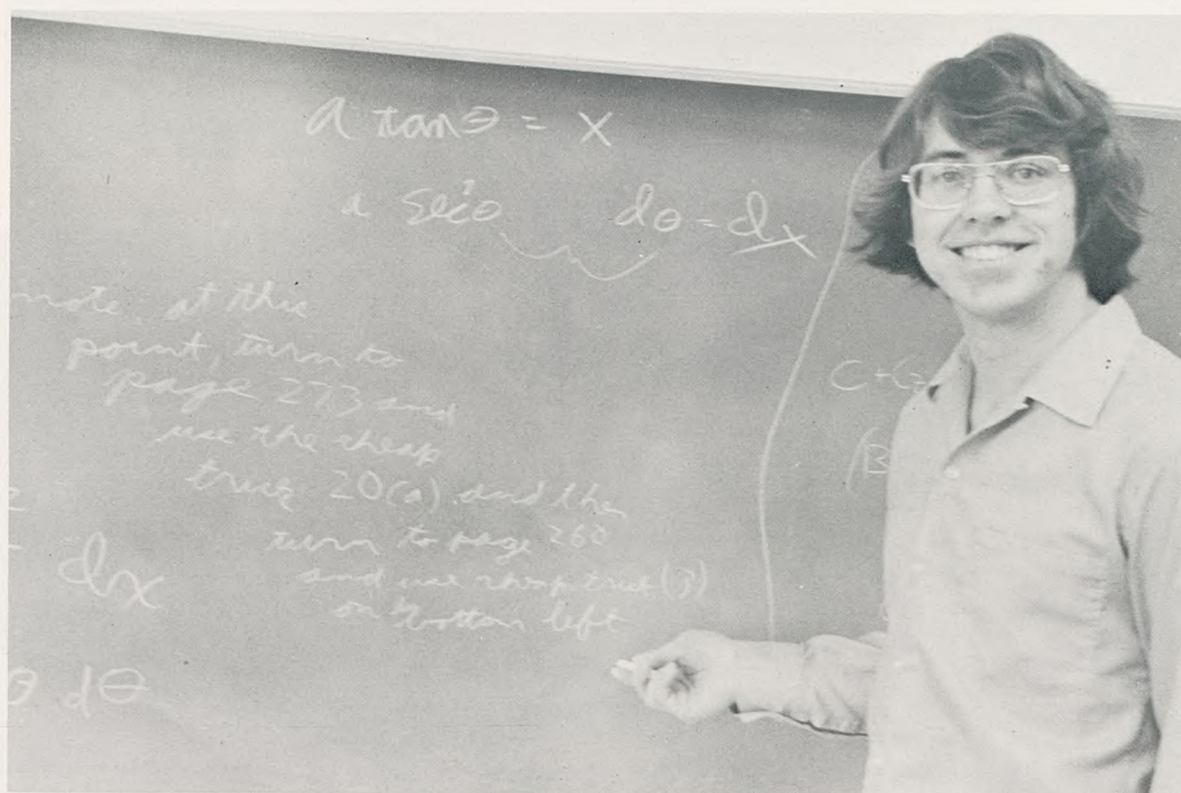

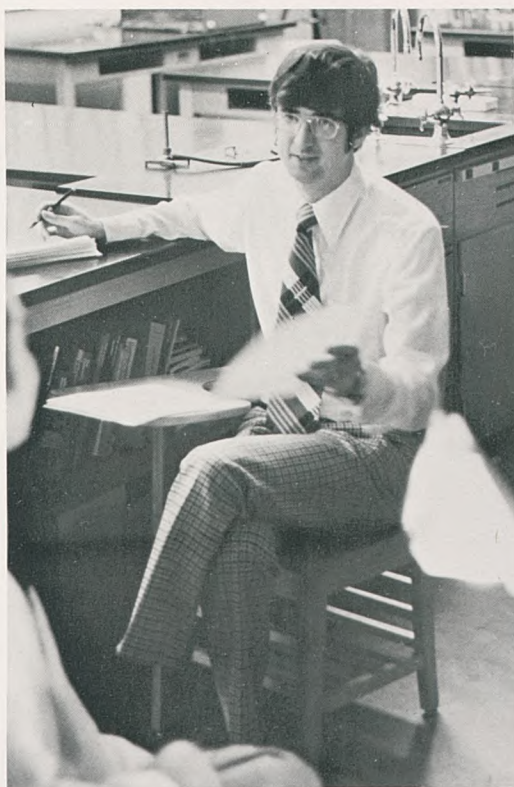

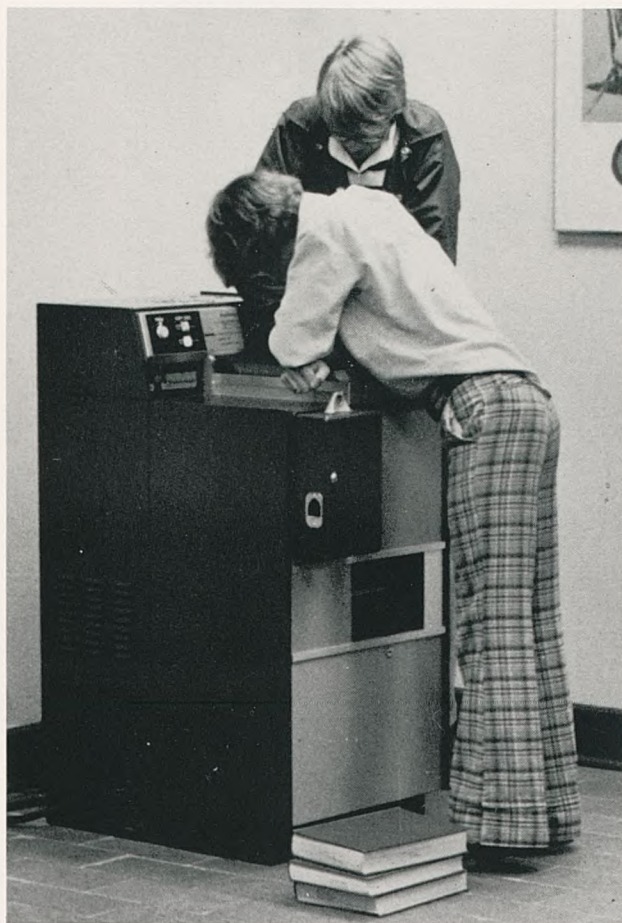

... finesse with a frisbee, and the copier, and ...

... good ol' boys, and, well, you know, and ...

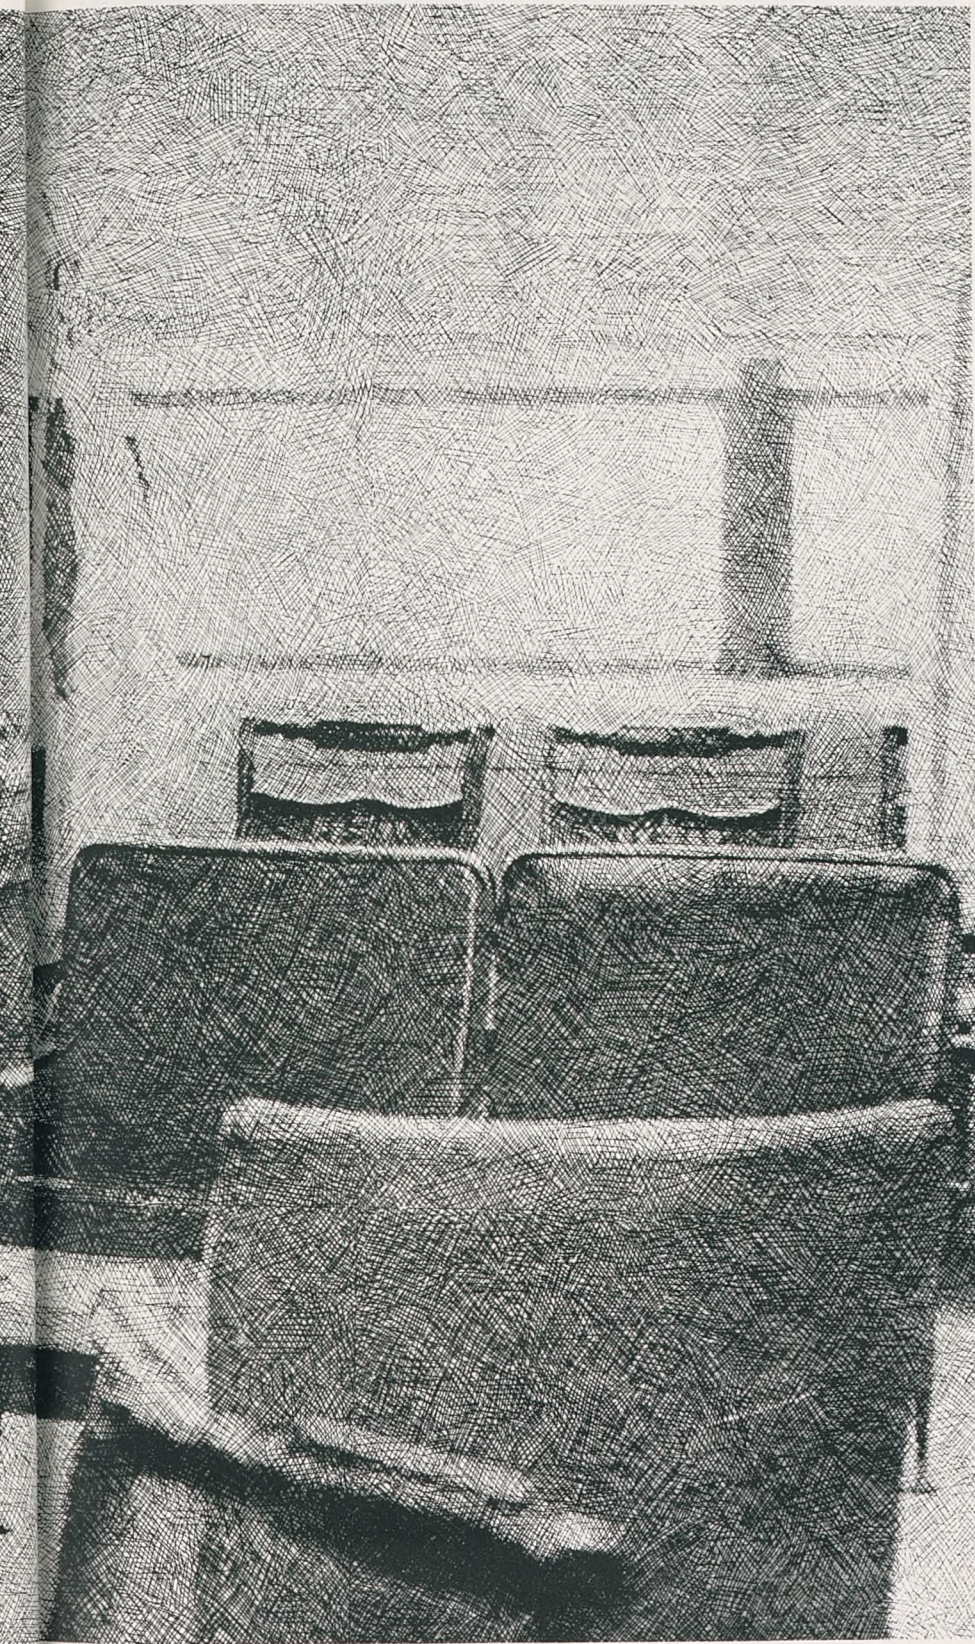

... early morning assemblies, and endless, endless study halls, and ...

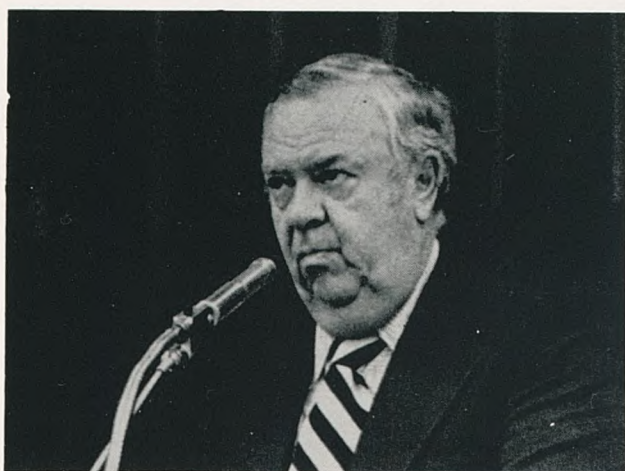

Administration

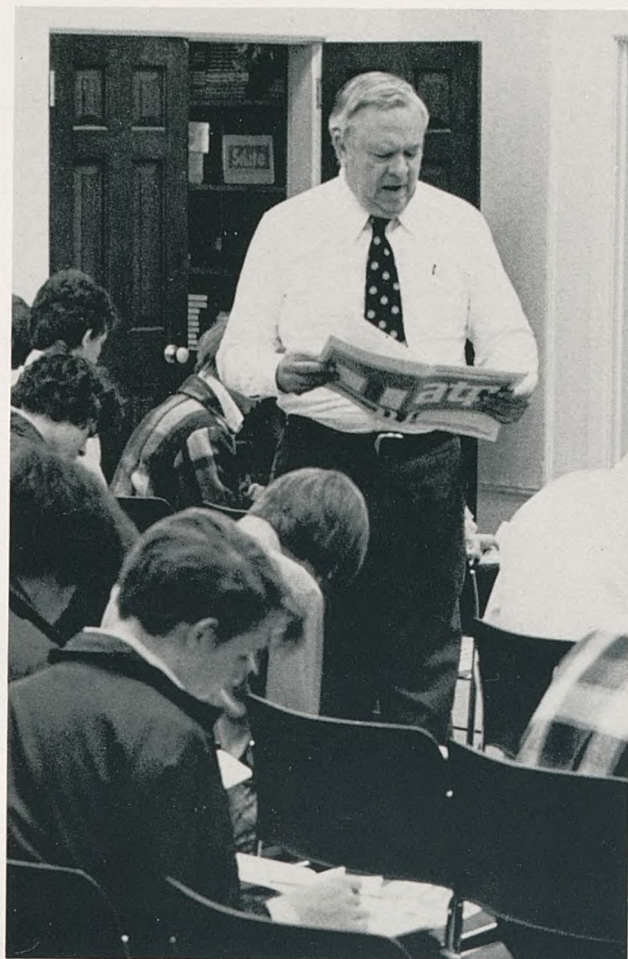

Francis E. Carter

Francis Carter, Jr. is a figure of perpetual motion. Mr. Carter is generally one of the first people on campus in the morning and one of the last to leave at night. Mr. Carter is the man who rises at 4:00 A.M. to judge whether or not it is safe to open schools on snowy days. There are no weekends or summer vacations for Mr.

Carter. He is on call twenty-four hours a day.

For Mr. Carter, there is always something to be done to improve the school, whether it is picking up litter or replacing the gym roof.

Mr. Carter attends countless meetings, conventions and seminars, seeking not only the betterment of the school but his self-improvement as well.

Mr. Carter spends innumerable hours of his time with individual students. It would take a ten-man panel to replace Mr. Carter as guidance counselor, selector of faculty members and new students, and manager of campus affairs. Mr. Carter has not only become an integral part of MBA, but also an indispensable factor in the future of MBA.

Assembly

Finding a speaker with student appeal, subject relevance, and early-morning availability is a difficult task. At best, it is perplexing to select the most appropriate speakers from a myriad of requests and recommendations. But in spite of these and other problems, Mrs. Ridgway and the assembly committee have done an excellent job of acquiring the best available speakers for MBA's assemblies.

The academic year began in assembly with a prayer from Monsignor Hitchcock, who is in charge of Catholic Schools in two of the three Tennessee dioceses of the Catholic church.

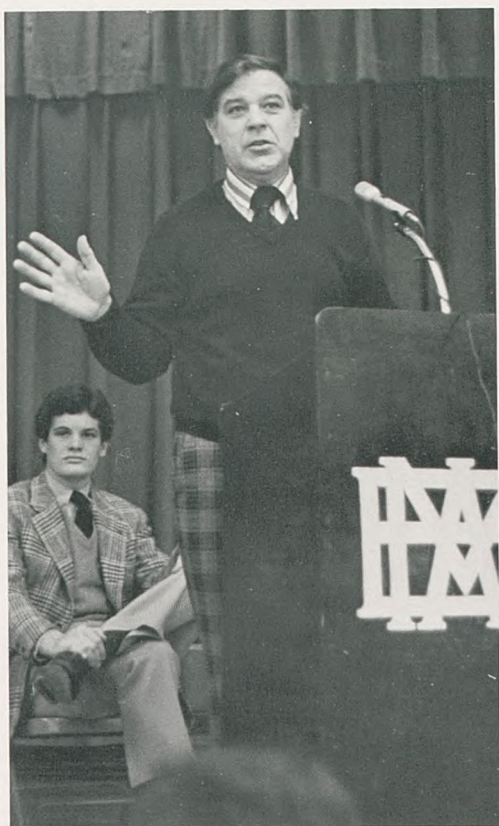

Since then, speakers have included historian Sam Smith, considered to be one of the foremost authorities on Andrew Jackson; author Jesse Hill Ford; lawyer and politician Lamar Alexander on our part in government; olympics buff Bob Richards; Dr. Joe Mancusi speaking on drug use; Russian immigrant Victor Tubel speaking on Siberia; and Don Meade on transcendental meditation.

Top: Alumnus Ford discusses his new book,
Middle: Gubernatorial candidate Alexander talks politics.
Bottom: Communist Tubel describes Siberia.
Left: Dr. Mancusi blows Jeff Rappuhn's mind.

Programs centered on art include speakers David Driskell, artist and member of the faculty at Fisk University; Cynthia Pringle, a renowned potter from North Carolina; and Gene Pletcher, wood carver and sculptor as well as a member of the faculty of the University of Tennessee at Nashville. The MBA art department gave a media presentation of 35 mm slides in the spring, shortly after the presentation of Trip Doss' film "Metaphysical Symphony in Green".

Top left: Fisk's Driskell explains Afro-American art.
Left: Sculptor Pletcher describes wood and marble techniques.
Below: The MBA Chorus presents its annual Christmas Concert with Gerald Arthur directing.

Musical programs include visits from harmonicist Larry Logan, the Birmingham Southern Chorus, and the St. Bernard Academy Drama Club. The MBA pep band played contemporary music and later the country voices of Rick Jacques and Bill Hawkins made their singing debut.

Right: Larry Logan skillfully plays the harmonica.
Below: Hawkins and Jacques sing a sad one.
Bottom: St. Bernard dramatists present Bicentennial play.

The MBA Drama Club presented excerpts from "You're A Good Man, Charlie Brown" and the MBA chorus gave a rendition of various Christmas carols. The chorus also combined with the Harpeth Hall chorus in the presentation of the Gilbert and Sullivan musical "H.M.S. Pinafore".

Of special interest to "the hill" were the annual visits of Santa and Mickey and the selection of six seniors into Totomoi.

Spaghetti Supper ... and Homecoming

The MBA spaghetti supper proved itself to be another resounding success in spite of the heavy rains which postponed outdoor homecoming festivities.

The Mothers' Auxillary netted over 12,000 dollars through the students' sale of spaghetti supper and raffle tickets.

All is ready, pandamonium reigns, . . .

. . . and the party's over.

A Beauty beauties, Skipper skippies, and Gordo takes it all in stride.

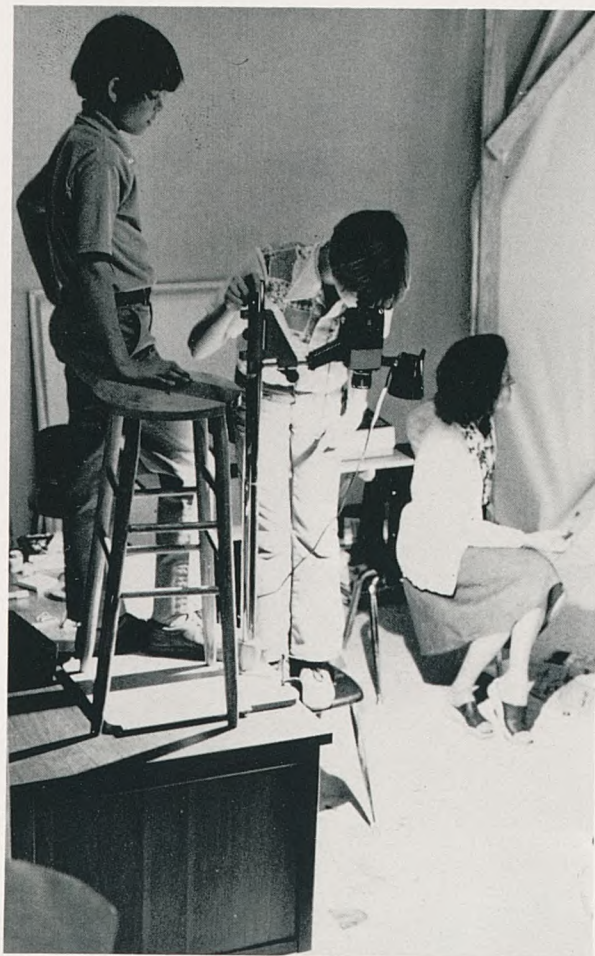

Cindy Goertz was crowned homecoming queen, and the Big Red football team rolled to a 7-0 victory over rival Hillsboro to complete the evening's festivities.

Art

Mrs. Louise LeQuire has incorporated some new and innovative facets of art into this year's program in order to broaden the student's perspective on contemporary art. Art and Art History students worked all spring in order to assemble MBA's first "media production", in which hundreds of color slides were coordinated into a light and sound show. In spite of a limited amount of time for preparation, the presentation was a smashing success. The project marks a truly collective achievement in that every student contributed to the final production. Students from the art classes at Harpeth Hall and St. Cecilia collaborated with the MBA art department in the overall production. Mrs. LeQuire hopes to produce a new media show each year.

The most outstanding individual achievement of this year was the super-8 production "Metaphysical Symphony in Green" by Trip Doss. This film combined Trip's musical expertise and talent in cinematography into an advanced interpretation of modern art. The film was one of the four first place winners in the first annual Baylor super-8 film festival.

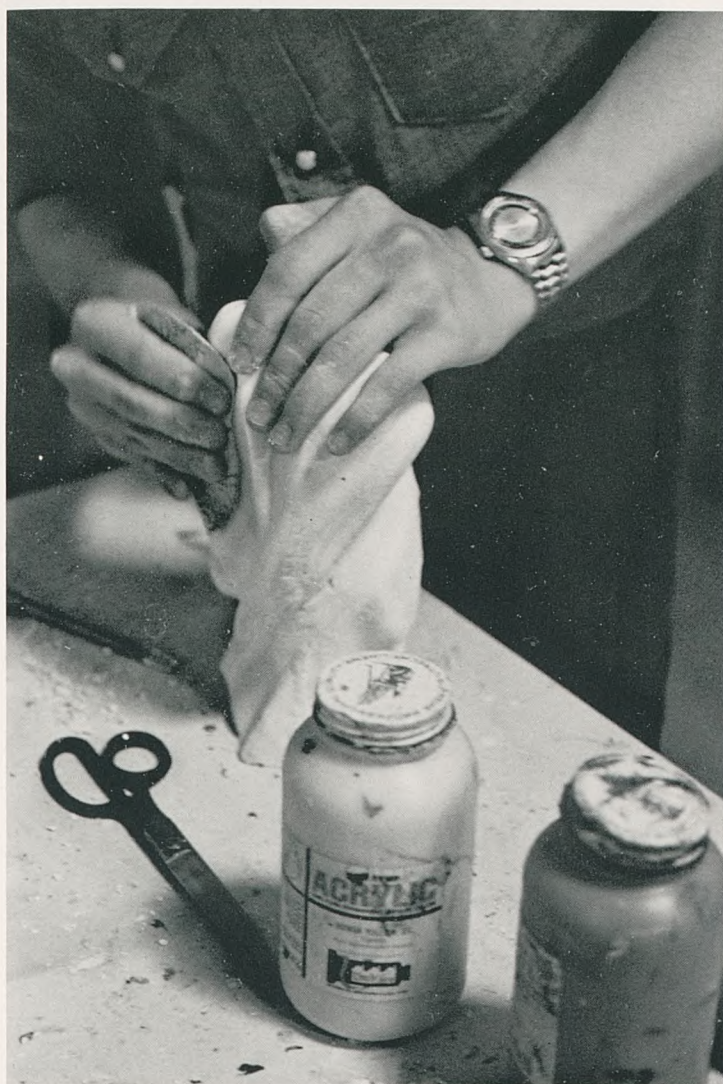

The seventh and eighth grades have been working with Mrs. LeQuire in another field new to MBA, that of animation. The group has finished a creditable film which will be shown in assembly early next fall. Mr. Carter has purchased a new camera, projector, and tripod which helped make these short animations.

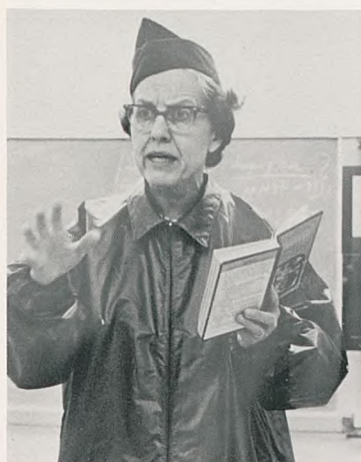

A final achievement of the art department this year was the recruiting of many fine contemporary artists, sculptors, and photographers who exhibited their work in the Patrick Wilson Library. Highlights of such shows were the sculpture and prints of Gene Pletcher of UT Nashville and his wife Gerry of Peabody; the pottery of Cynthia Pringle; a visit from architect Charles Waterfield; a display of the artwork of Tom Walton; the photos of rural Tennessee by Peter Menzel; and the portrait photography of John Miller. These programs have given MBA a sample of true achievements in art in a variety of areas.

The main goal for the year in art has been for the student to reach out and expand his views of art in order to accept a greater understanding of contemporary art. The coordination of light and sound into a sensual display of contemporary artwork is a new and growing genre in MBA's art department. It is hoped that the present enthusiasm for the new areas of animation, cinematography, and media production will carry over and expand in next year's program.

"A mirror up to nature . . ."

Pep Band

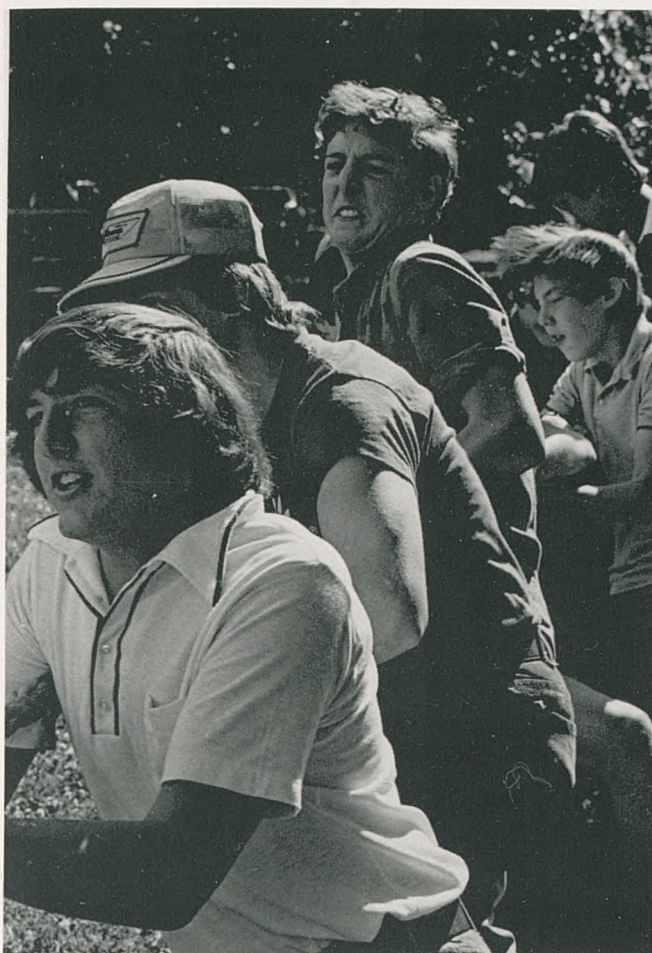

The newly-formed MBA pep band has enjoyed mountains of success and notoriety in its first year of operation. The band was conceived by seniors

Harvey Kirkpatrick (bass artist) and Kirk Guttmann (trumpeter) and was assembled with the help of another trumpeter, Kevin Harkey. The pep band has played during home football games, basketball games, and pep rallies this year. Other

seniors include Mark Greene on the saxophone and pianist Harvey Crouch.

The band was spiced by the performances of junior guitarists Dave Mahanes and Brian Kurtz. The band achieved city-wide recognition after their dazzling concert performance during assembly.

Tug-of-War

The second annual MBA Tug-of-War Invitational drew quite a large crowd (many of whom were not invited) to the rolling hills of the MBA campus. Swarms of MBA and Harpeth Hall students bravely undertook the challenge of the ominous rope (Kindly supplied and delivered by the Nashville Bridge Co.) A surprise skirmish was the defeat of the Harpeth Hall and MBA seniors by the awesome juniors of both schools. On a lower level, the sophomores defeated the freshmen with a combination of experience and cunning. The MBA student body then trounced the entire Harpeth Hall student body in a ruthless display of masculine force. The confident MBA crew then challenged and whipped the Harpeth Hall girls plus the derelicts from BGA, St. Bernard's, St. Cecilia, and half the free world.

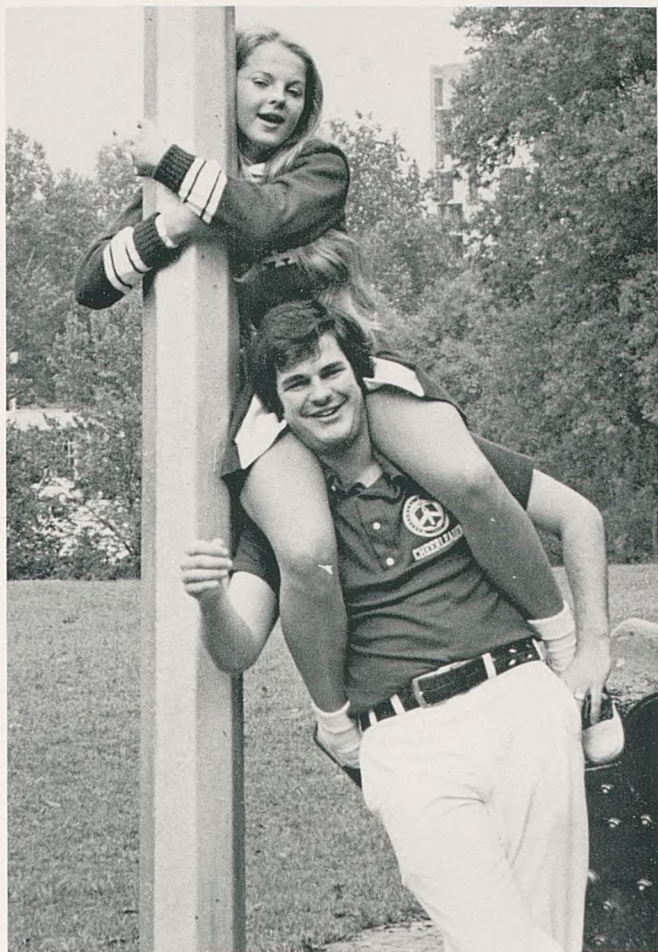

Changement

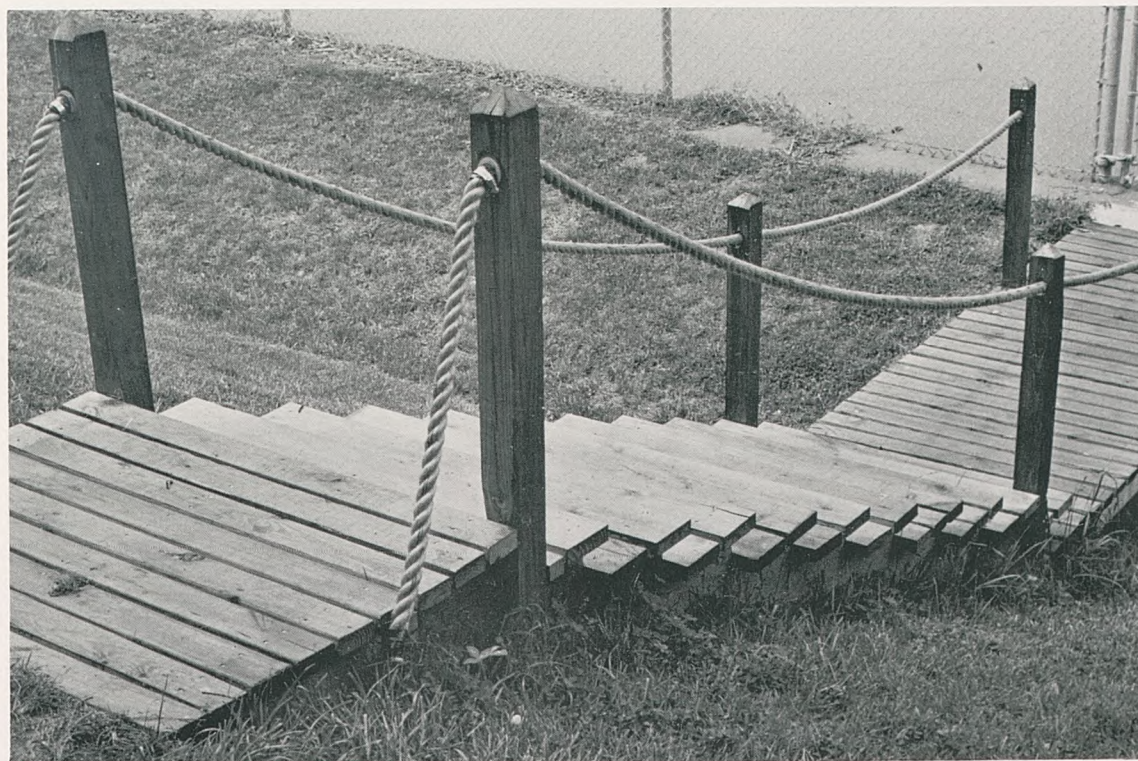

"We are constantly improving; MBA does not stand still."

The past year has shown a great deal of internal and external modifications on the MBA campus. Tangible improvements include the purchase of a van for the school (provided by the Mother's Auxillary) and a pitching machine (Father's Club).

A great deal of time and effort was spent last summer in the reconstruction of the gymnasium roof and the application of a protective glaze for the Ball Building. The Mothers' Auxiliary also contributed to the renovation of the headmaster's office. Access to the lower tennis courts has been facilitated by the construction of a bridge and steps. Note: The picture on the left doesn't particularly belong here, but it didn't fit anywhere else and is a good picture, so here it is. Interesting, no?

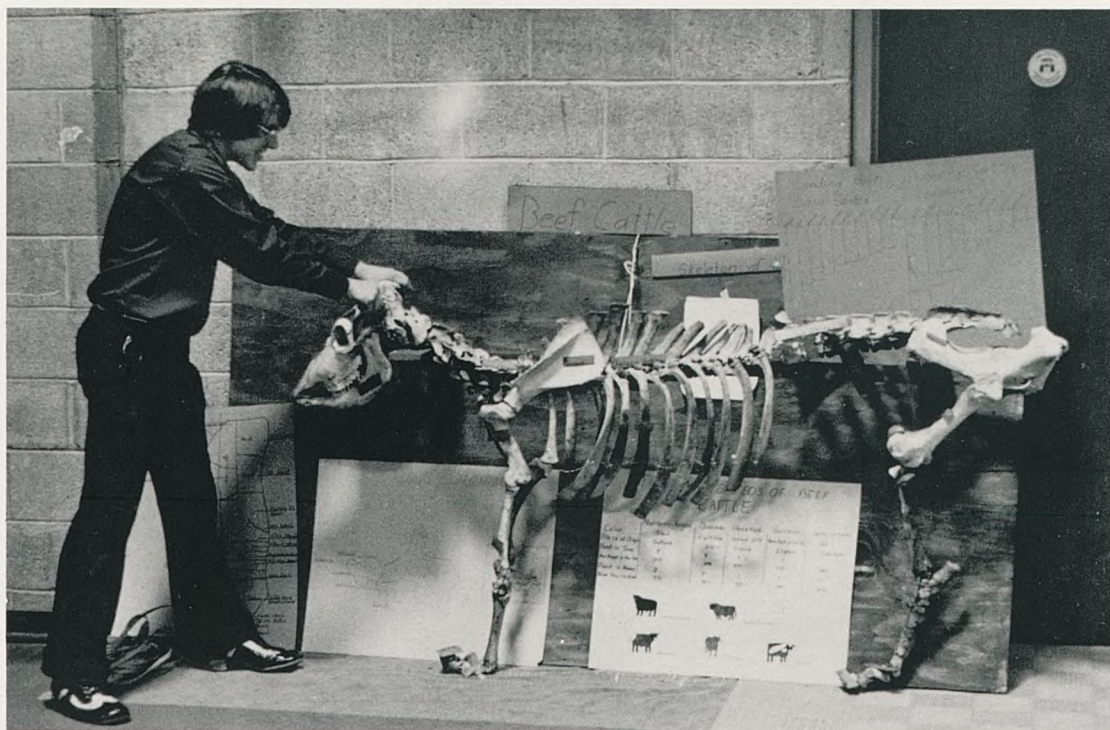

Form plus function: rustic new steps to the tennis court.

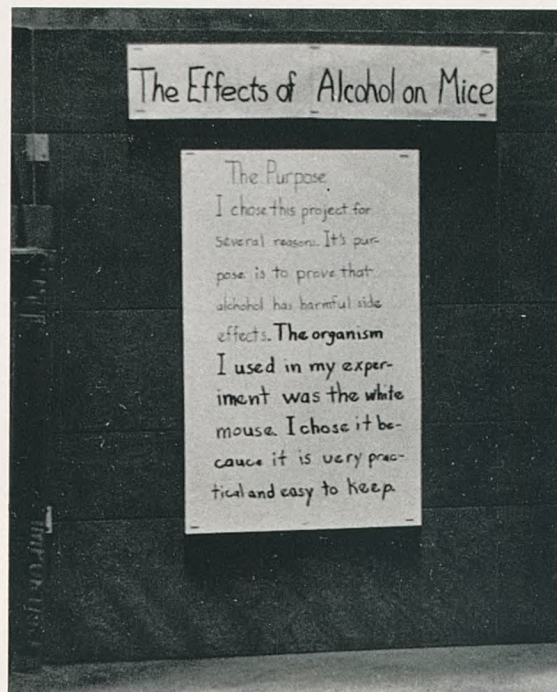

Intangible improvements include the acquisition of certain property on Wilson Boulevard, which would be used if the school decides to go coed or coordinate, and the addition of some 550 books to the Patrick Wilson Library.

Commencement

On May 29, 1976, in the Brownlee O. Currey Gymnasium, Montgomery Bell Academy graduated the (appropriately) seventy-six members of the '76 senior class. After the seniors' traditional entrance march and the invocation by Brad Hooker, the various awards and honors of commencement were presented. Highlights of the commendations were as follows: Jerry Patterson for Senior Class Citizenship; Bradford Hooker for Honor, Integrity, and Loyalty in the Senior Class; Alan Reasons for the Best Citizen in the Junior Class; Robert Holland for the Outstanding Boy in the Sophomore Class; and Erich Groos for the Outstanding Freshman. In addition, Jerry Patterson received the William Martin Award to the Best All-Around Boy in the School. In the midst of all the scholastic and literary awards came recognition of MBA's seventeen Merit Finalists and Mike Ralston as Athlete of the Year

The Class of '76 eagerly awaits distribution of diplomas.

Robert Holland receives awards from Mr. Carter.

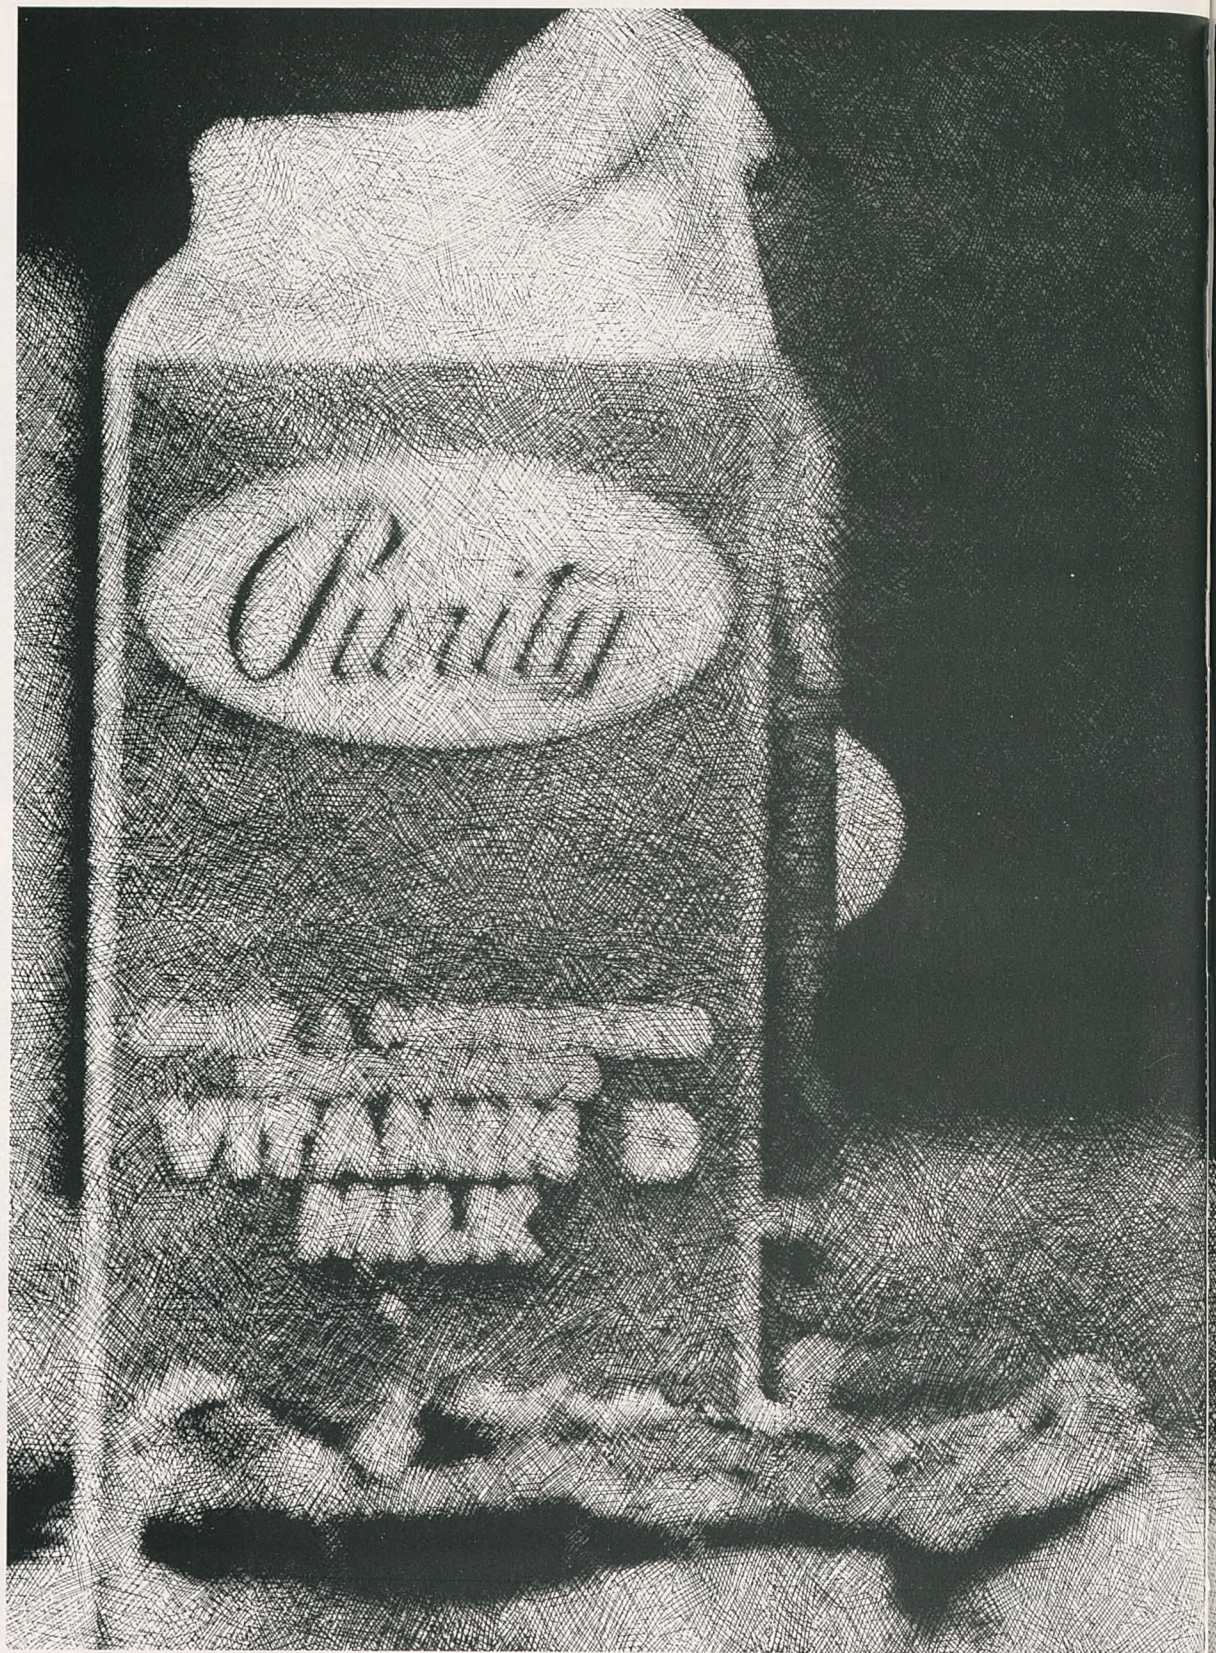

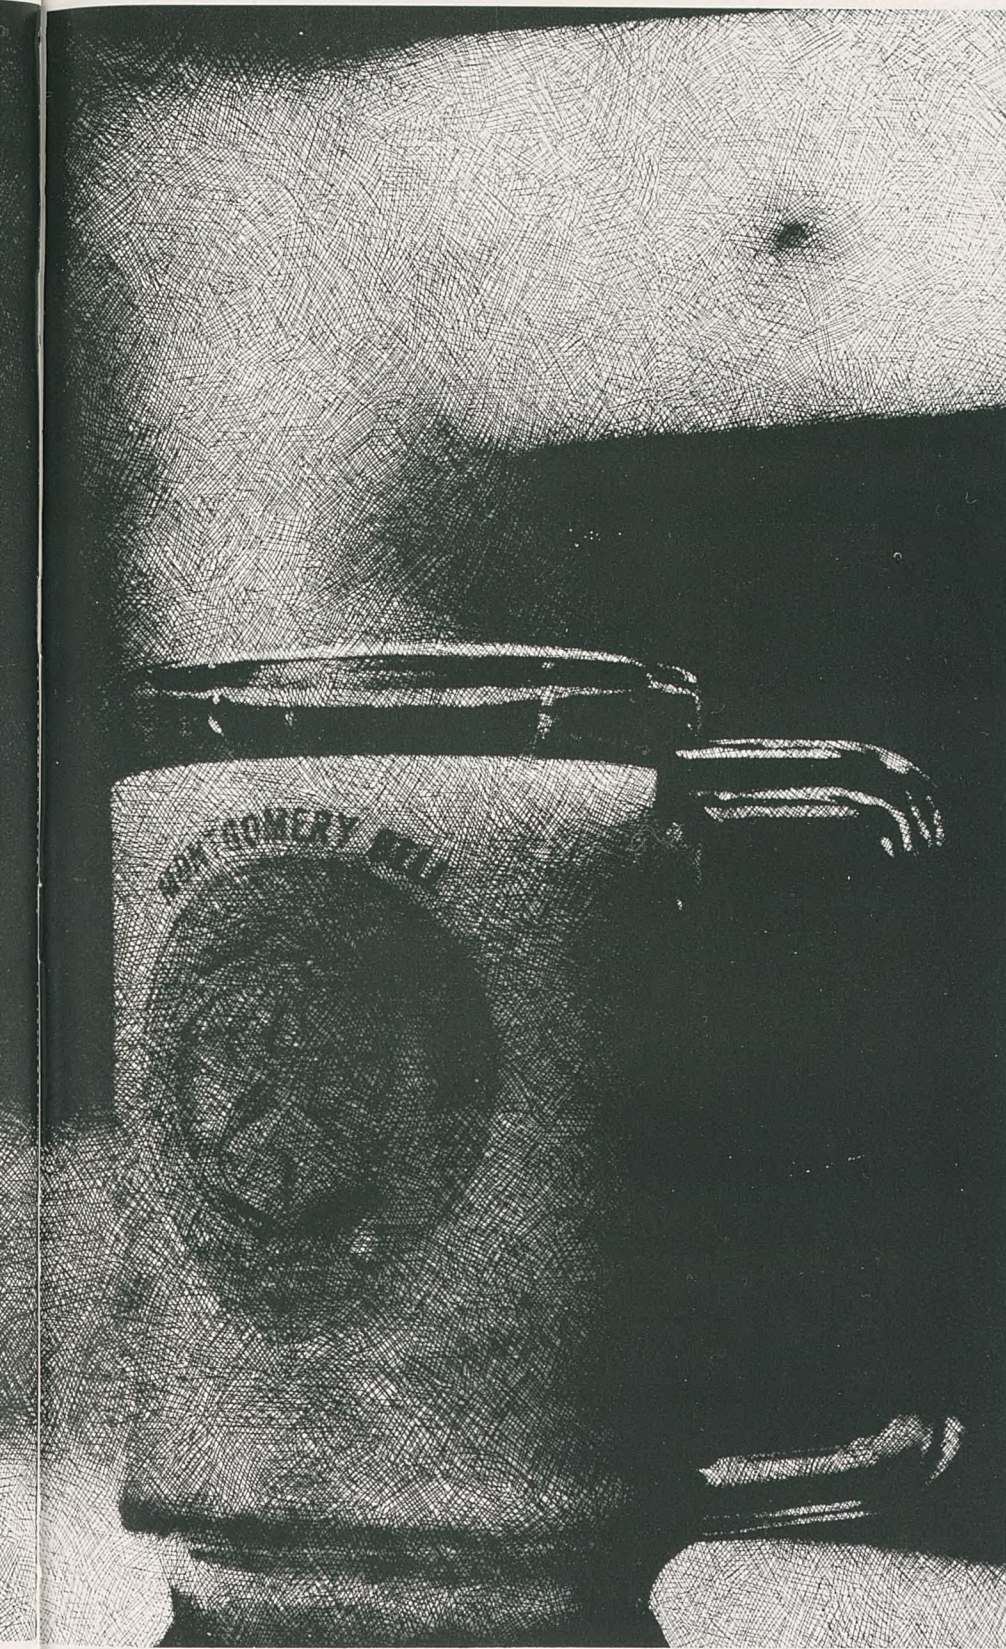

Valedictorian Kenneth Spencer Witt (p. 58, top) expounded upon the increased amount of responsibility assumed by the MBA student in the past four years. He maintained that the importance of an MBA-style education would prove very useful in the pursuit of higher education. Salutatorian Philip Roberts Howell (above left) discussed the problems of society which students must confront in leaving the sheltered atmosphere of the Hill.

The MBA Chorus provided an entertaining interlude of music with songs from Mr. Arthur's repertoire and an encore from *HMS Pinafore*. John Rebrovick presented a copy of the dedication of *The 1976 Bell* to Mr. Walker who received a standing ovation from the student body.

At last, in the heat of the gym, Mr. John E. Sloan, Chairman of the Board of Trustees, presented the much-anticipated diplomas to the anxious seniors. In addition, a special certificate of recognition was presented to Swedish exchange student Mats Nordquist.

Mr. Sloan holds the coveted object.

Organizations

The twelve students who compose the Honor Council of MBA accept as their responsibility the two-fold task of promoting a strong sense of honor among the students and also trying reported cases of lying, cheating, and stealing. In order to limit the number of offenses and to familiarize the student body with the rules, regulations, and purpose of the Honor System, the Honor Council begins the school year with an assembly program speech and individual class discussions with the Junior School.

In regard to this year, few cases of extremely serious magnitude have occurred. That not one student was brought before the Honor Council a second time speaks well both for the students and the honor system. This fact indicates a significant degree of respect for the honor code and proves that the Honor Council can serve effectively as an instructive, guiding body instead of merely a punitive force.

The goal of the Honor System is an idyllic one—the establishment of an atmosphere of complete honesty and integrity—yet is also a conceivable and obtainable one. Its success depends upon the joint cooperation of students and faculty in an effort to abide by the code in every way. If this unification can be achieved, the Honor Council can serve as a viable organization maintaining and protecting the honor and prestige of Montgomery Bell Academy.—Jerry Patterson.

Members of the Honor Council pictured at right include: Row 1: John Coleman, Barry Duke, Jerry Patterson, Bill Russel, Paul Wieck, Charles Sawyers; Row 2: Alan Reasons, Galt Baker, John Rebrovick, Jeff Rappuhn, and Chip Williams; and Kevin Smith who was absent when the picture was taken.

Honor Council

Student Council

The 1975-1976 Student Council responded to the student's wishes which seemed to be part of a logical progression of the hopes of past student bodies.

The issue of the Junior season off occupied the Council's attention throughout the fall, and though the privilege was not reinstated, the students were able to work constructively with the faculty on the problem. The Council also was instrumental in attaining a holiday for students in attendance at the Pearl football game. With the help of Mr. Carter, an exchange of students was organized between MBA and University School, and then Harpeth Hall. These visitations proved extremely popular and may become an annual endeavor.

In the presence of the intense academic environment at MBA, our council took an interest in individual students and teachers with problems of one kind or another, had some open meetings, and tried to express to Mr. Carter and the faculty the students' thoughts concerning the issues surrounding the school and its policies. This year's Student Council, partner to an extremely cooperative relationship to Mr. Novak and Mr. Carter, seemed to be gaining both in respect and in responsibility. Both our programs and our relations with co-workers were usually evolved from immortal councils of the past who asked for a "mutually responsive attitude between students and faculty," "a constructive atmosphere with more authority," and "openness" in procedure.—Bradford Williamson Hooker, President.

Members of the 1976 Student Council pictured at left include: Row 1: Richard Smith, Tim Owen, Paul Stumb, Erich Groos, Jerry Mace, Jeff Glezer, Robert Holland; Row 2: Lyle Beasely, Fred McLaughlin, Brion Friedman, Brad Hooker, Clinton Regen, Pride Scanlan, John Claybrook, and Phillip Altenbern who was absent when the picture was taken.

Totomoi

As MBA's honorary fraternity, Totomoi has become synonymous to the highest honor a student can obtain. Its goal is the promotion of the highest development of an MBA student in a balanced and gentlemanly fashion. Spiritual depth and honor are encouraged together with the promotion of participation by all MBA students in activities and traditions which reflect the Academy's long history and its honorable position among America's prep schools.

Totomoi honors students by recognition of outstanding participation and achievement in: (1) scholarship, (2) athletics, (3) student government, (4) publications, (5) organizations, and (6) citizenship.

Points are awarded on the basis of length of service, achievement, and leadership in these areas. "Majors" and "Minors" in each area are awarded by total points. Candidates must have at least two major fields and one minor for selection. In addition, candidates must maintain a good scholastic average and a worthy attitude. Approval by members of Totomoi and the faculty confer membership. Alumni, faculty members, and friends of the school may also be tapped into this honorary fraternity.

Mr. Jay Ramsey, Mr. Carter, Mrs. Lowry, and Mrs. Liles are Totomoi members currently in the administration of MBA.

The Service Club, one of the few select organizations at MBA, occupies its own niche of importance on the Hill. Comprised of twenty-four members from the Sophomore, Junior, and Senior classes, this club stresses service to both the school and the community through its different activities. During 1975-76, the Service Club sought to maintain traditional school projects while attempting to become more closely involved with community-related activities.

Traditional services to the school included ushering at home football games, cleaning up after an event such as the spaghetti supper, and collecting money for admission to basketball and wrestling contests.

Before Christmas, the Service Club sponsored a canned goods and clothing drive for the St. Luke's Community Center. Members of the club also went caroling for the Fanny Battle Day Home and rang bells to collect money for the Salvation Army. During the spring, the club participated in the Palm Sunday Paper Sale for the Children's Hospital.

The simple volume of projects which the Service Club handled this year implies a sincere dedication on the part of its members. Although limited in size, the Service Club remains a prominent organization at MBA and has continued to work unselfishly for worthwhile causes.

—Justin Milam

Service Club

Big Red Club

The Big Red Club, organized with the purpose of instilling and maintaining spirit and pride in MBA, is the largest extracurricular activity in which the students participate. Involving students in grades ten through twelve, as well as accepting freshman members in the spring, the club promotes great support and enthusiasm for all possible athletic contests. With the hard work of this year's cheerleading squad, which attended a camp at Vanderbilt during the summer, new cheers and stunts were added, as well as new uniforms which proved to be stimulating for the Student Body.

MBA's first pep band, under the direction of senior Harvey Kirkpatrick and faculty member Kevin Harkey, added an extra dimension to the spirit of the school. In addition, the club undertook a money raising project by hosting a car wash on the hill which proved to be profitable.

The officers of this year's club, president Fred McLaughlin, vice-president Brion Friedman, secretary Wilson Robinson, and Treasurer Skip Woolwine, as well as the faculty advisors Miss Seidler, Mr. Goza, and Mr. Gaither, express our appreciation to the students for their participation and spirit this year and hope that it continues in the future.

The Bell

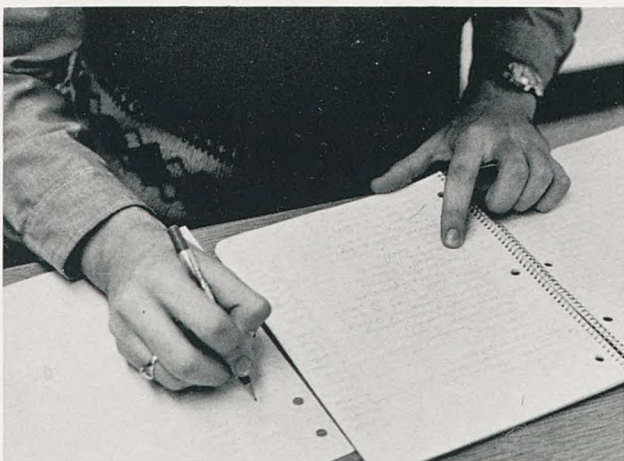

Associate Editor Trip Doss, Editor-in-Chief John Rebrovick.

1976 was an experimental year for *The Bell*. For the first time in MBA's history, the annual was planned from the beginning for summer, as opposed to commencement, delivery. This decision to eschew tradition in favor of improving on the past was made with three main ideas in mind: (1) Late delivery would enable the yearbook to serve most perfectly what its intrinsic purpose should be—to present as accurate a picture as possible of the whole year. (2) Late delivery would provide more time to sell more advertisements to negate the inflation-caused rise in costs of the annual. (3) Late delivery would allow more time for the editors to include more pages in the annual.

Staff Editors: Organizations—Andy May; Copy—Steve Zager; Photography—Wayne Hucaby; Sports—Chip Williams; Features—Randy Lea; Business—Scott Englert.

On the first point, the results should be obvious. Spring sports received roughly twice the coverage normally allotted them; and more importantly, contemporary photographs and seasonally inclusive evaluations of the teams appeared for a change. Furthermore, organizations could report on their achievements for the entire year

Rather than merely presenting a vague outline of their intentions. Features, too, got a shot in the arm from the extra time, for events such as the Tug-of-War received appropriate attention and the Art and Assembly sections were comprehensive. Graduation was included for the first time in history.

As far as economics go, *The 1976 Bell* exemplifies a truly ambitious undertaking. About a thousand more dollars of advertisements were sold than for the previous year's publication. This fact helped the school maintain the cost of the annual to each student at \$5.00 despite an approximately ten percent rise in production costs due to inflation. The annual was expanded by sixteen pages and used as much four-color reproduction (eight pages worth) as was ever used before.

Naturally, this year's *Bell* was produced with hopes for pleasant layout, maximum information without boredom in content, and interesting, different photography. The editors hope *The 1976 Bell* was worth the wait.

Staff: Charles Sawyers, Jimmy Evans, Jeff Glezer, Phil Howell, Jim Gibson, Shipley Landiss.

The Bell Ringer

The 1975-'76 edition of *The Bell Ringer* was very possibly the most successful in the newspaper's history. In the Tennessee High School Press Association convention, *The Bell Ringer* received a "superior" rating, placing it, for the first time, among the top eleven newspapers in the state.

The innovative feature—dominated format of the paper was highlighted by articles about Heaven Lee, The Farm, and Mayor Fulton. Also, Andy May and Ben Cohen livened up *The Bell Ringer* with their editorial duels.

Illustrations and the use of white space added a new look to the layout of the paper. The relegation of news stories to the back page, along with the advent of the single-feature front page, should pave the way for a news-magazine publication next year.

Hopefully, *The Bell Ringer*, in its revamped form, will attract greater student interest and participation in years to come.

Forensics

Over the years, the Forensic Club, under the direction of Mrs. Ridgway, has grown to be one of the most important activities on the Hill.

Forensics, encompassing debate, extemporaneous speech, oratory, and interpretation, continues to be an excellent outlet for the MBA student.

The 1976 Debate Team produced one of the finest records in the nation.

Following many weeks of grueling summer workshops, the debate teams of Steven Eisen and Steven Zager, and Joe Wood and Geoffrey Chazen performed strongly in high levels of competition. Debating the topic of "scarce world resources," Zager and Eisen won both the Barkley Forum in Atlanta and the National Bicentennial Tournament in Philadelphia to establish themselves as the premier team in the country. They, along with State Champions Wood and Chazen plus Extemporaneous Champion Andy May travelled to the National Tournament in Colorado in June.

In other displays of forensic fortitude, Michael Knish won a free trip to Philadelphia by placing first in the state Sons of the American Revolution Oratory Contest; and Walter Robinson won the sectional contest of the Bicentennial Youth Debates, thereby garnering a free trip to Atlanta. Despite the loss of seniors Chazen, Eisen, and Zager, forensics looks forward to a strong future as interest and participation grow in MBA's "art of eloquence."

Drama Club

Conflicting activities dramatically reduced the quantity of productions of the MBA players this year. However, the club's major production of *You're A Good Man, Charlie Brown* enjoyed a successful run in February. Receiving help from Cathy Maddox (Lucy) of Brentwood and Becky Hinshaw (Peppermint Patty) of Harpeth Hall, Hunter Hodge, John Olive, John Beasley, and Scott Englert excelled in their roles of Charlie Brown, Snoopy, Schroeder, and Linus, respectively.

Under the leadership of Mr. Poston and President Oman Weiland and the technical work of alumnus Neil Wright and junior David Johnson of Phred Phantom Enterprises, Inc., the club strove to produce the best in the creative art. Although this group seemed to have an "off year," the MBA players will continue in the true dramatic tradition to provide the student an outlet and source for enjoyment and artistic development.—Oman Weiland.

Chorus

This year's Chorus produced probably the finest MBA musical accomplishments ever. Composed of approximately forty students ranging from grades seven to twelve, the Chorus received its largest participation since its origin. Under the leadership of President Fred McLaughlin and Vice-President Brion Friedman, the Chorus presented a most diversified schedule of events including a Christmas concert which performed at three local schools. In the spring, the Chorus, along with the Harpeth Hall Glee Club, presented Gilbert and Sullivan's "H.M.S. Pinafore" in eight performances around the Nashville area. Also, the group presented its annual Commencement program.

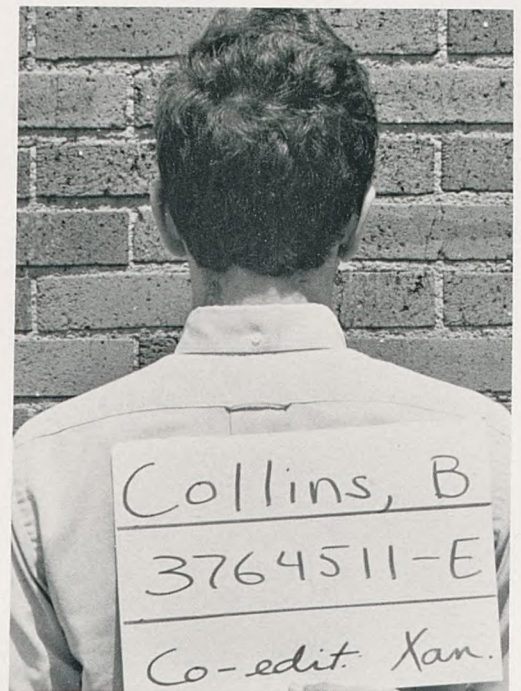

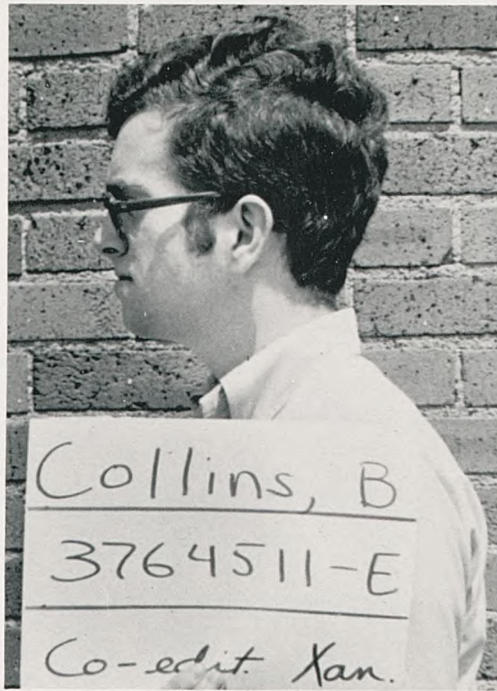

Chorus: Row 1: Hill, M. Davis, J. Hodge, Fuller. Row 2: Weatherford, Edwards, Archer, Macey, Glezer, Chernau, R. Beasley, Seay. Row 3: Regen, L. Beasley, Wieck, Edmondson, Robinson, McLaughlin, Claybrook, H. Hodge. Row 4: Linn, Jackson, Rich, Whitson, Friedman, Bogle, McIntosh, Smith.

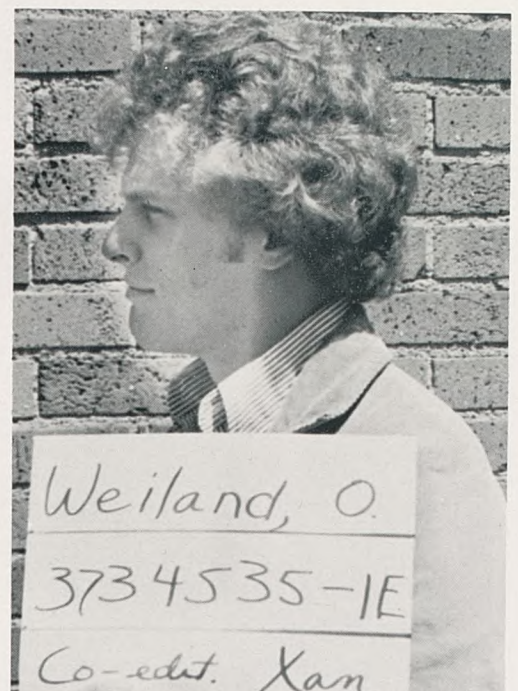

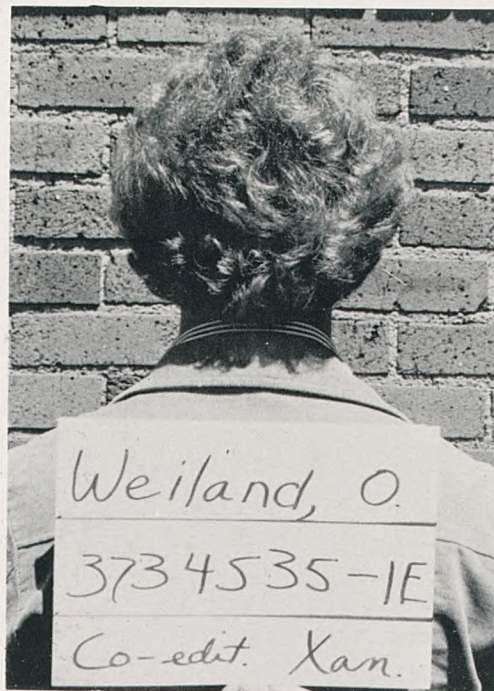

Special thanks are to be given to our outstanding director Mr. Gerald Arthur, and our accompanist Mrs. Ann Bishop, both of whom devoted endless time and effort to the achievement of the group's success. All in all, this year's Chorus proved to be exceptional and was well received throughout the Nashville area. Despite losing about ten of its members because of graduation, the Chorus looks forward to a promising future.—Fred McLaughlin, President.

Xanadu

Launching the 1975-1976 school year, the editors of *Xanadu* had hopes of great expansion for the magazine. Early responses were slow, but very interesting graphics appeared in the year's first issue. *Xanadu*, under the guidance of co-editors Oman Weiland and Bill Collins, along with Mr. Walker, continued its attempt to provide the "stately pleasure domes" for the literary minded of MBA.—Oman Weiland

Mats Nordquist

Jag heter Mats Nordquist, är 18 år och kommer från Östersund, Sverige. Min familj är en medellclassfamilj och mina föräldrar är båda lärare. Jag har två bröder och en syster, alla yngre.

Min värld familj, familjen Beasley, är det största plusset på min vistelse i U.S.A. och jag har träffat många andra trevliga människor här. Jag kom hit i augusti förra året på ett exchange student program, ICX, och åker hem i juli.

Jag är tacksam för den utbildning jag fått i MBA, och för de vänner jag fått i anknytning till skolan.

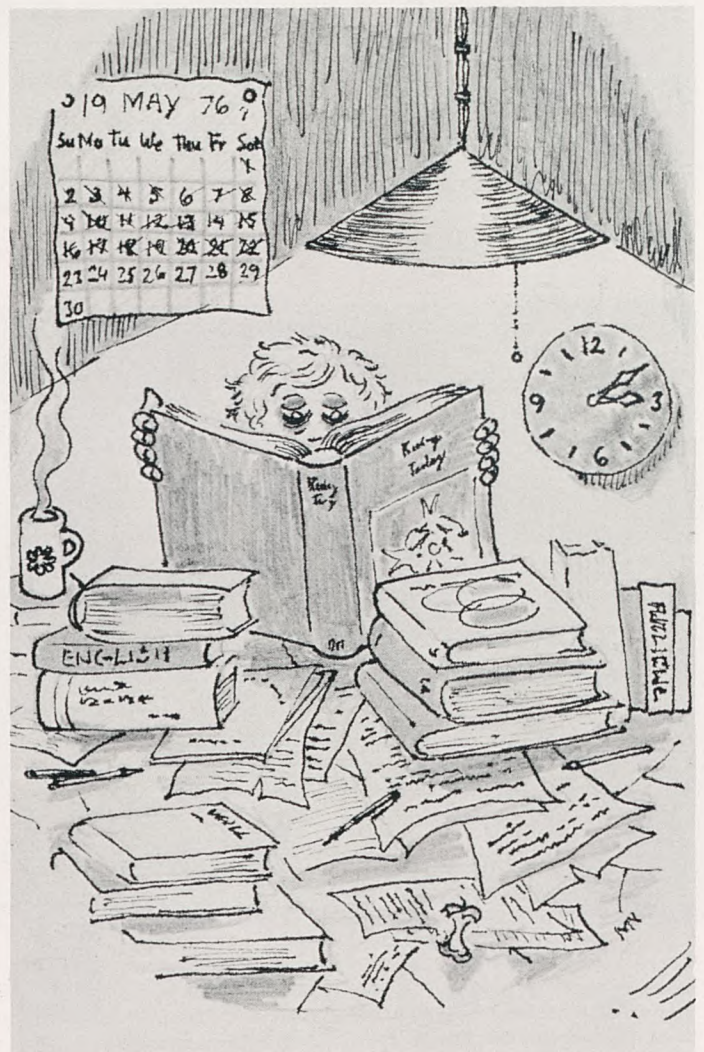

My name is Mats Nordquist. I am eighteen years old and live in Östersund, Sweden. Both my parents are teachers, and I have two brothers and one sister.

I arrived to the United States in August last year, on an exchange student program: International Cultural Exchange. The Beasleys, my host family, are the nicest people I have met; and I have got to know some really nice people during my time here.

To come to MBA has influenced my life and helped me to get friends in relationship with the school. I am thankful for the education I have got here, which will help me back at my own school.

(Editor's note: Mats is MBA's second exchange student. Despite carrying a full MBA senior course load including one AP course, he managed to contribute significantly to the soccer team and to display his outstanding artistic talent with both pen and brush. Another pen and ink drawing by Mats appears on page seven.)

Though plagued by the loss of many fine seniors, this year's chess team produced consistently excellent results against stiff competition. Despite the absence of some top individuals, the team placed second in the

High School Championship, Novice Section, in Atlanta, the team received fourth place with David Thistlethwaite claiming second place

mid-state High School championship, losing only to Murfreesboro Riverdale. This loss was avenged at the state level, as the team took first place honors, with Mark Ishee claiming the fourth individual ranking. At the Southern

individually. Also, participating in competition were team members Rick Hardin, Chris Keaton, Sam Garrett, Billy Anderson, Mike Anderson, and Morris Lewis, as well as Ishee and Thistlethwaite. With only one member

from this year's outstanding Chess squad leaving because of graduation, MBA'S perpetual Tennessee State Champion team should continue to prosper under the able leadership of Dr. Fairbain.

Representing less than one half of one percent of the nation's graduating high school seniors, the National Merit Finalists are selected on the basis of outstanding potential for college achievement. Selection is based upon PSAT/NMSQT scores achieved in the junior year, as well as school record and faculty recommendation.

Among this year's seniors, there were fifteen students selected as finalists. From this group, winners of the National Merit Scholarships will be selected. See the Graduation section on pages 58-59 for further information.

The highlights of the year were trips to the Vandy FCA, a spring retreat, and attendance at the national conference in North Carolina.

Varsity Football

Montgomery Bell Academy's 1975 football season promised to be the toughest in the school's long football history. The schedule opened with the McGavock Raiders' invasion of the "Hill." 2,500 fans braved inclement weather to watch the Big Red fall 18-9. A Barry Duke to Mike Ralston pass covering sixty-three yards accounted for MBA's only touchdown. Steve Burch had one hundred eleven yards in kickoff returns for the Big Red.

After the disappointing loss to McGavock, MBA bounced back with an impressive overtime victory over second-ranked Overton. John McWhirter and Steve Burch spearheaded the best offensive attack of the entire season. The defensive work of Clinton Regen and Jeff Rappuhn effectively held the Bobcats all night.

First row: Coach Buck, Reasons, Smith, Luplow, Orr, O'Neal, Foster, Norling, Owen, Duke, DeLay, Bogle, Tnr. Johnson, Mgr. Irwin. Second row: Coach Ramsey, Bull, Tenison, Tune, Lackey, Baldwin, Patterson, Simpson, Hawkins, Hill, Regen, Newman, Neal, Whitson, Rich, McWhirter, Mgrs. Binkley and Summar. Third row: Coach Ridgway, Phillips, Moore, Jackson, Beasley, Rappuhn, Linn, Ralston, Edmondson, Burch, Baker, New, Weiland, Workman, Lassing, McClure, Coach Jefferson.

Far left: Head Coach Ray Ridgway.
Left: Line Coach Danny Buck.

Far left: Receiver Coach Jim Jefferson.
Left: Backfield Coach Jay Ramsey.

MBA next traveled to Clarksville to face always tough Clarksville Northwest. After three quarters of scoreless football, the Big Red rolled to two fourth-quarter touchdowns; the first on a thirty-four yard pass from quarterback Duke to Steve Baldwin, the second on a thirty-nine yard run by Burch.

The murderous schedule next pitted sixth-ranked Maplewood against MBA in the two schools' first meeting ever. Maplewood used a strong running game and sound defense to dominate MBA 39-12. The Big Red scored on a third quarter touchdown by the ubiquitous Burch and on a run after a blocked punt by Ralph Moore.

The fifth game saw MBA at Antioch. In a highly contested game, MBA fell 14-6. The Big Red failed to score after driving to the Bear one yard line in the first quarter. Steve Burch scored the only MBA touchdown.

MBA evened up its record at 3-3 with a big 12-0 victory over Springfield. Springfield's five game winning streak was stopped by runs by Burch and Wink Neal.

On a rainy homecoming night on the "Hill," MBA slipped by Hillsboro with a 7-0 win. The Big Red took the opening kick-off and drove seventy-four yard to score on a plunge by Barry Duke. John McWhirter led the offense with ninety-nine yards in twenty-one carries. The defense held the Burros to fifty yards total offense.

The eighth game saw MBA in Franklin against seventh-ranked BGA. The Big Red came out on the short end of

a 7-0 defensive battle. The loss of running back Steve Burch with an injured knee was a blow to the team for the last two games.

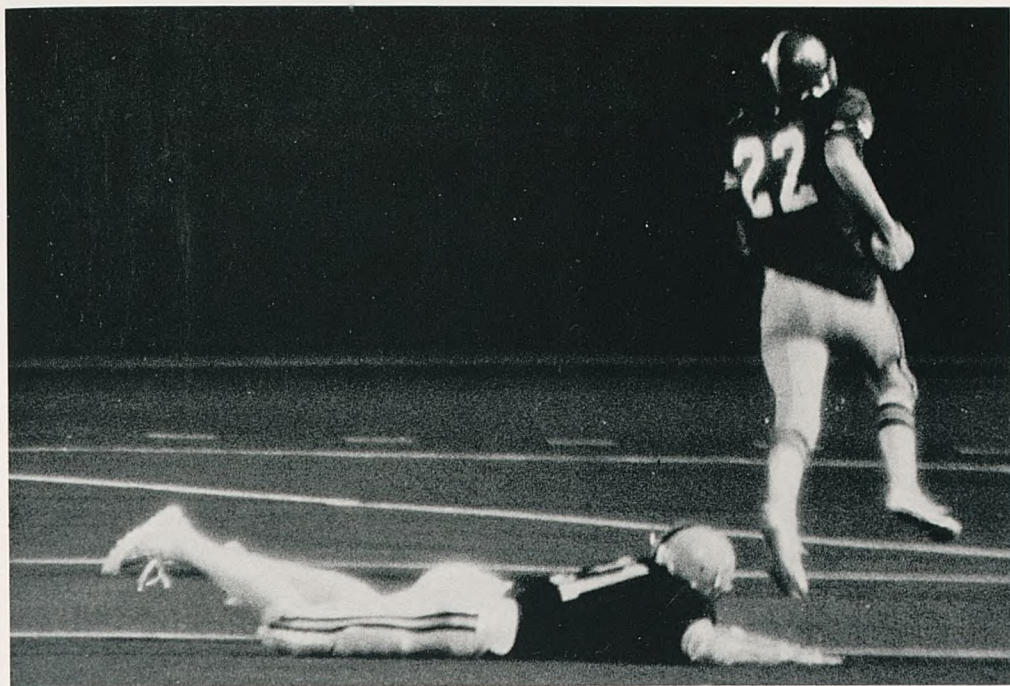

Very few fans came out on Halloween night to see MBA defeat the Pearl Tigers 15-8. Ralph Moore put the Big Red on the board first with a safety. The other two scores came on a nine-yard run by John McWhirter and a ten-yard pass from Barry Duke to Steve Baldwin.

The finale of the '75 season came against archrival Father Ryan. The Lions Bowl-bound Irish rolled past the Big Red 45-15 behind the running of star Joey Wood.

MBA scored when Barry Duke teamed up with Mike Ralston for a four-yard pass. Duke ran thirteen yards for the second score, and Wink Neal ran the two point conversion.

Behind the excellent leadership of co-captains Mike Ralston and Clinton Regen, MBA achieved a respectable 5-5 record with fine support from the student body and the best group of cheerleaders in recent years.

JV Football

First Row: Owen, Robinson, Sullivan, Russell, DeLay, Turner. Second Row: Holland, Lassing, O'Neal, New, Stumb, Dicker. Third Row: Baker, Jackson, Norling, Bogle, Linn.

In the first of its two games this year, the young and untested MBA junior varsity football team fought gamely to a 30-12 defeat against a much larger and more experienced Overton team. In the second (or final) game, the JV Red suffered a 34-7 defeat to a McGavock squad which could have beaten many varsity teams in the city. Injuries and bad breaks were many, but the JV never gave up, scoring their only TD with only a minute left in the game on a pass from Robert Holland to Kirk Norling. Despite their limited experience this season, the members of the JV are expected to contribute greatly to future varsity teams.

Coached by Mr. Medlin, Mr. Caldwell, and Mr. Harkey, the Freshman Football Team had its most productive season in recent years. The team compiled a 5-2 overall record with wins over Apollo, Cameron, BGA, Rose Park, and Moore. The team's only defeats came to Ryan, on a last minute touchdown, and to McMurray.

Tri-captains Barry Ralston, Andy Massey, and Richard Smith, along with Russ Regen, Chris Crow, and Tim Bennett, led the team and should make sizable contributions to the varsity in future years.

Varsity Cross Country

This year's cross country team was one of the finest squads in MBA Cross Country History. Although hurt by the loss of four out of the top seven runners off last year's squad, the team managed to post a record of 10-4 in regular meets, the best record ever, and to place well in the big meets.

Front: Manager Lyne, Archer, O'Neill, Kurtz, Glezer, Hancock, White, Poole. Back: Anderson, Wert, Stewart, Witt, Friedman, Hawiger, Crenshaw, Gustafson.

Led by senior co-captains Ken Witt (above) and Brion Friedman (facing page), the top seven runners were rounded out by juniors Billy Anderson and Jeff Glezer, sophomores Jimmy O'Neill and Ed Archer, and freshman Craig Stewart. These boys started running in early August and continued running until the end of October, finally amassing over 400 miles in road work.

Under the exciting training innovations of Mr. Havelly and the determination and understanding of Mr. Drake, the team ran well all year, placing fourth in the A.F. Bridges Invitational and third in the NIL Championships.

The highlight of the season was the performance of Ken Witt who became the first NIL Cross Country Champion at MBA and who, also, broke the school record in the three-mile run with a time of 15:44

Gradations of pain:

junior Jeff Glezer;

sophomore Ed Archer;

freshman Craig Stewart.

Next year's team has a bright future with five of the top seven runners returning and with the back-up of hopefuls Bennet White, Tim Kurtz, Trey Poole, and Rhea Gustafson.

The 1976 Microbe Cross Country team, coached by Frank Novak and led by Freddie Horton and Doug Derryberry, won the HVAC championship. The little red harriers lost only one dual meet in the course of the season. Members of this squad should provide much speed in MBA's future.

Varsity Basketball

MBA's '75-'76 Varsity Basketball team played the toughest schedule in its history. MBA, finishing the season with a record of 5 wins and 18 losses, did not play Peabody, Bellevue, Castle Heights, or Brentwood Academy, teams which have swelled the Big Red's past win columns.

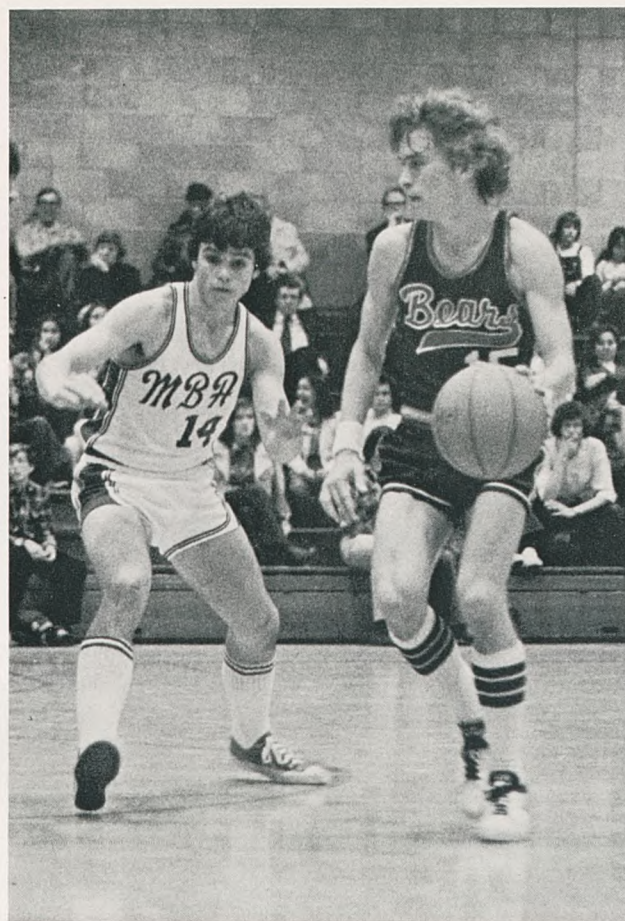

Back: Mgrs.: Kimbro and Landiss, Beasley, Hooker, Farmer, Ralston, Whittier, Newman, May, Mgr. Evans. Front: Trainer House, West, Smith, Holland, Witt, Hill, Duke, Mgr. Grannis.

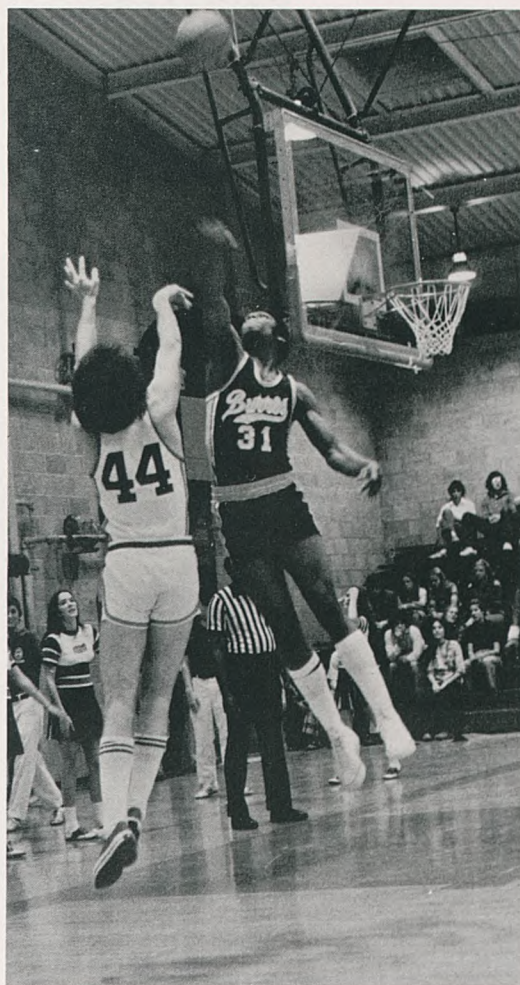

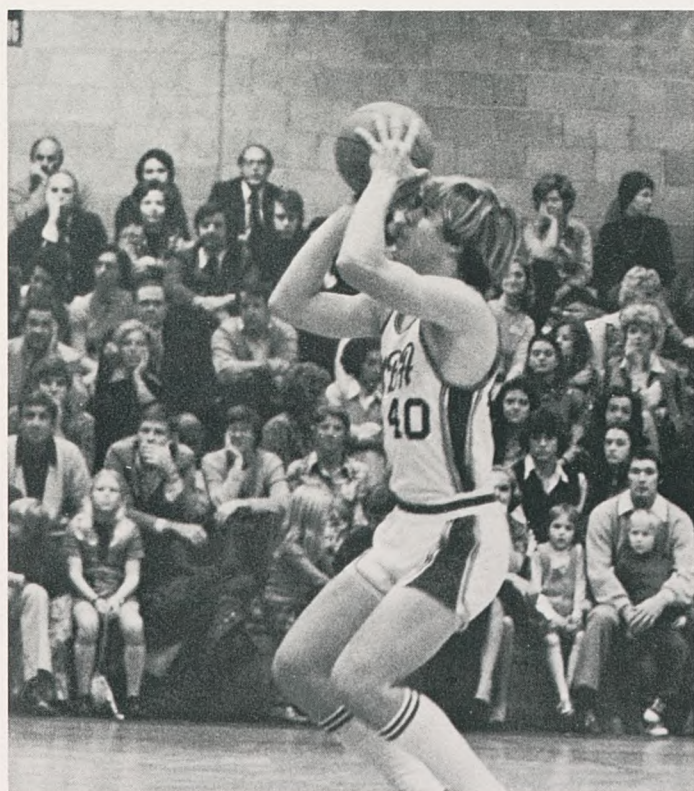

"Because we lost so much and were therefore quite frustrated and sometimes even terribly depressed," asserted one senior team member, "the satisfying wins that did come were causes for great jubilation." On the home court, MBA beat rivals BGA and Father Ryan in important games.

Michael Farmer led the team in scoring and rebounds for the first half of the year. After a series of ailments slowed Farmer down, Danny Newman, Mike Ralston, and Kirk Witt provided some fire power. Kirk Witt finished the year as the leading scorer, most notably sparking the team in a fantastic win over the Burros at Hillsoboro.

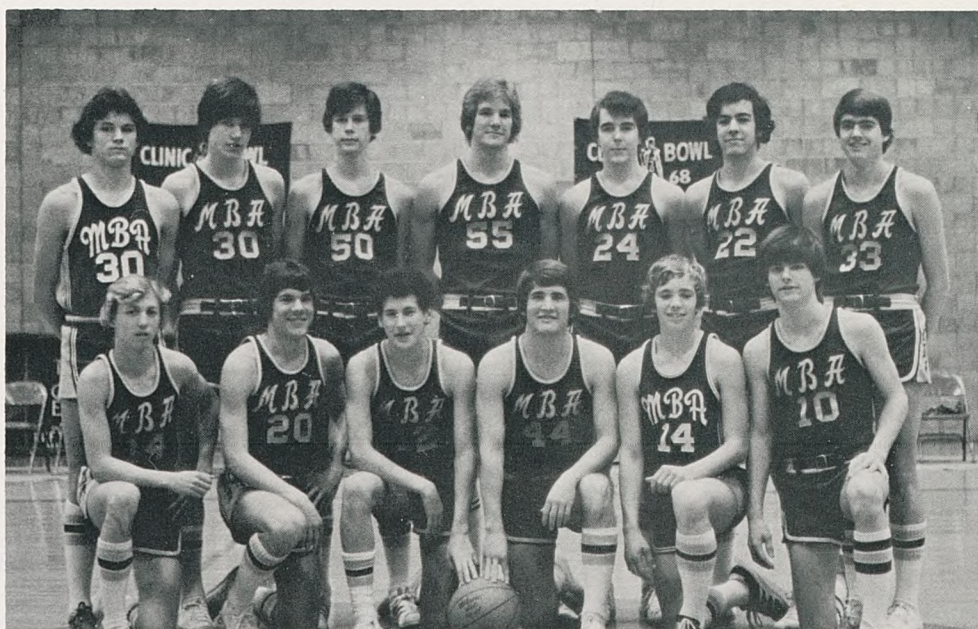

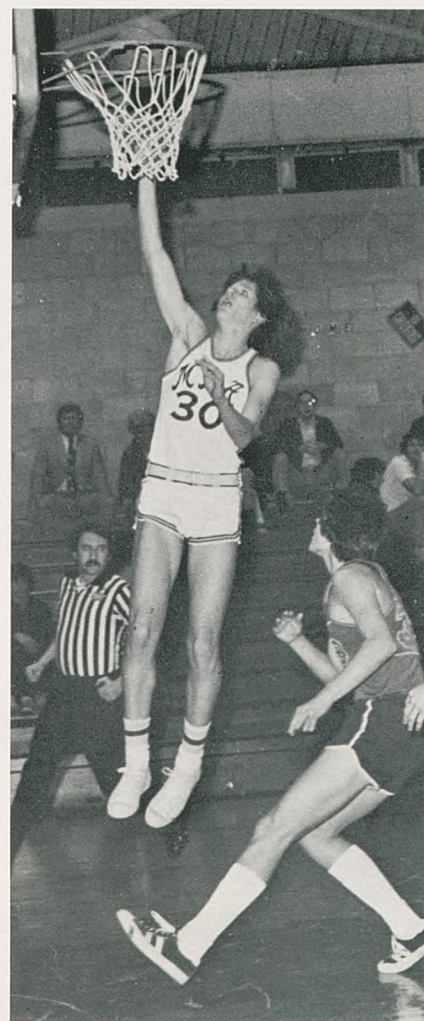

Also, the big, strong, and tall MBA front line dominated Overton in regular season play in MBA's Currey Gymnasium. However, in the first game of the District Tourney, Overton embarrassed the Hill's cagemen in the first half, and the team ended the year in defeat. Mr. Bennett and Mr. DeMoss were popular and forgiving coaches.

This year's Junior Varsity Basketball team got off to a strong start but ended the season on a disappointing note. Finishing with a record of five wins and thirteen losses, Lyle Beasley, Mickey Tune, Alan Reasons, and Lee Edmondson led the team all year under the coaching of Mr. DeMoss.

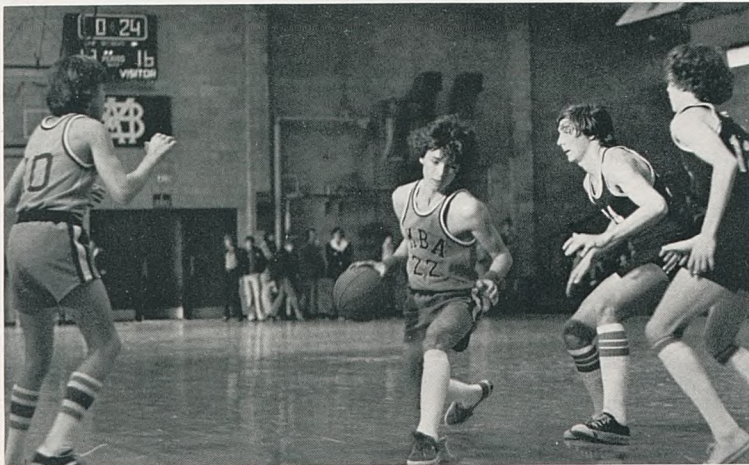

JV Basketball

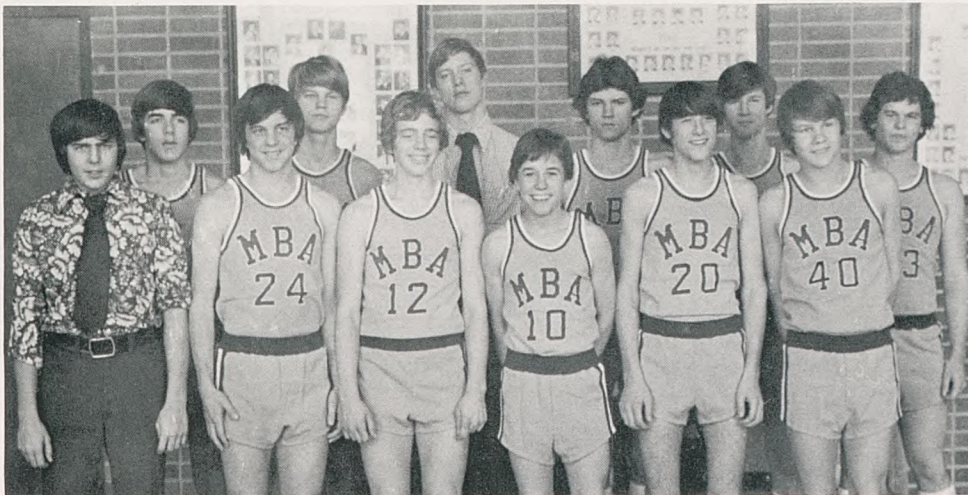

Back: Ralston, Hardin, Herron, Edmondson, Maxwell, Neil, Milam. Front: Pinder, Tune, Smith, Reasons, Massey, Patterson.

Despite an extremely tough schedule this season, the Freshman Basketball team enjoyed a respectable 6-8 season under Coach Jay Ramsey. Vance Wheeler, Andy Massey, and Barry Ralston led the offensive throughout the season while Ralston, Bill Bomar, and Richard Smith were the top rebounders. Highlighting the season was a heart-stopping victory over Moore Junior High on a last second shot by Andy Massey. Other key victories were recorded against BGA, Lipscomb, Apollo, and Bass.

Freshman Basketball

Back: Campbell, Bomar, Thistlethwaite, Ralston, Groos, Smith. Front: Cunningham, Stewart, Massey, Bowers, Riegler, Levan.

Microbe Basketball

The 1976 Microbe basketball team posted an outstanding 18-1 record, going undefeated in regular season play and losing only in the finals of the H.V.A.C. tourney 42-40. A tough team defense, which held opponents to an average of 4 points in the first quarter, and a smooth fast break combined with a disciplined, sharpshooting offense to give the Microbes an overpowering attack. The team was led by the shooting, passing, and rebounding of Freddie Horton, the strong inside play of Jimmy Griscom, and the smart defensive play of Tom Moore, Nathan Phillips, and Joe Davis.

Standing: Phillips, Davis, J. Anderson, Altenbern, Griscom, Derryberry, Whitson, Calton, M. Anderson. Kneeling: Moore, Horton.

Varsity Wrestling

Strong senior leadership and determined younger wrestlers helped in the 1975-76 MBA Varsity Wrestling Team to its best season in three years. The team finished with a record of six wins and four losses.

Wrestling well in its first four matches, the Big Red rolled up an impressive 200 points in these victories. Next, the team dropped a 6 point loss to arch-Rival Father Ryan. After Christmas, the team dropped two matches: to powerful Overton and suprising Antioch. MBA next crushed Hillwood, and then lost to a strong Maplewood team by 12 points. The Grapplers finished their season with a victory over Franklin.

Tournament competition seemed to suit the MBA team. The team won second place team trophies at the Bellevue Invitational and at the District Eight Tourney. At Bellevue, Jerry Patterson, Fred McLaughlin, Michael Huddleston, and Clay Whitson all won individual championships. In the Overton Tournament, Patterson and McLaughlin again took individual first place honors while Huddleston and Whitson placed second.

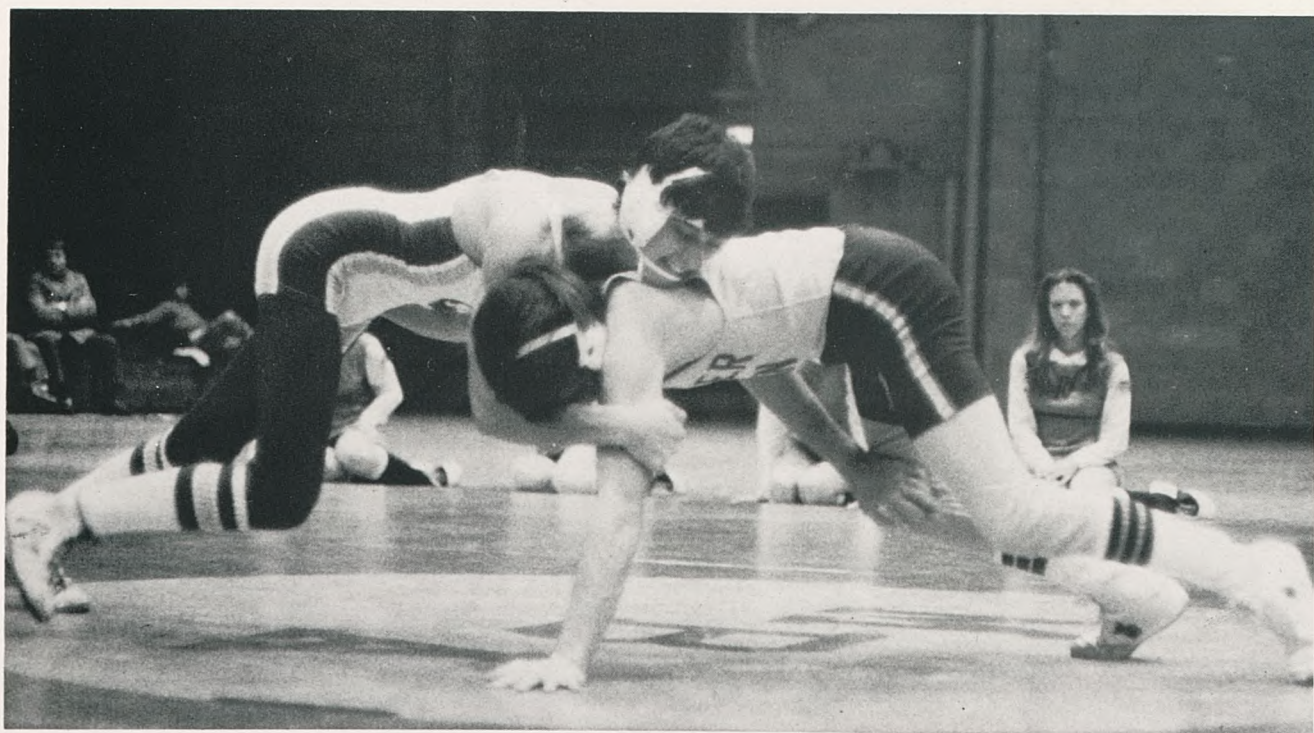

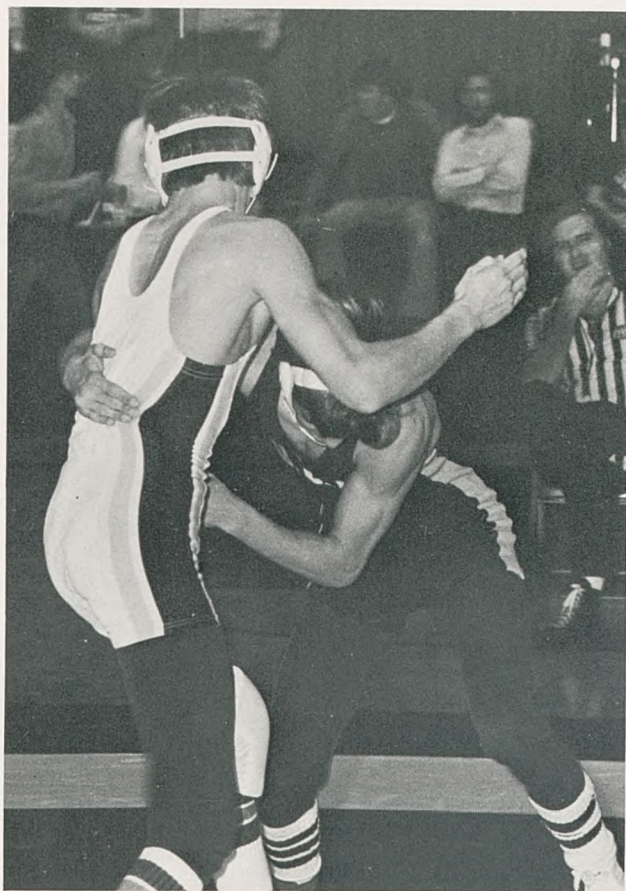

Patterson added to his record of championships at the Ryan Invitational by placing first along with Huddleston and Galt Baker. McLaughlin and Whitson captured second and fourth place honors, respectively. Patterson, McLaughlin and Huddleston won first places in District Eight competition while Weiland and Baker placed second, and Whitson and Anderson took third place honors; and Bob Russell and Pete DeLay both made good showings with fourth place finishes.

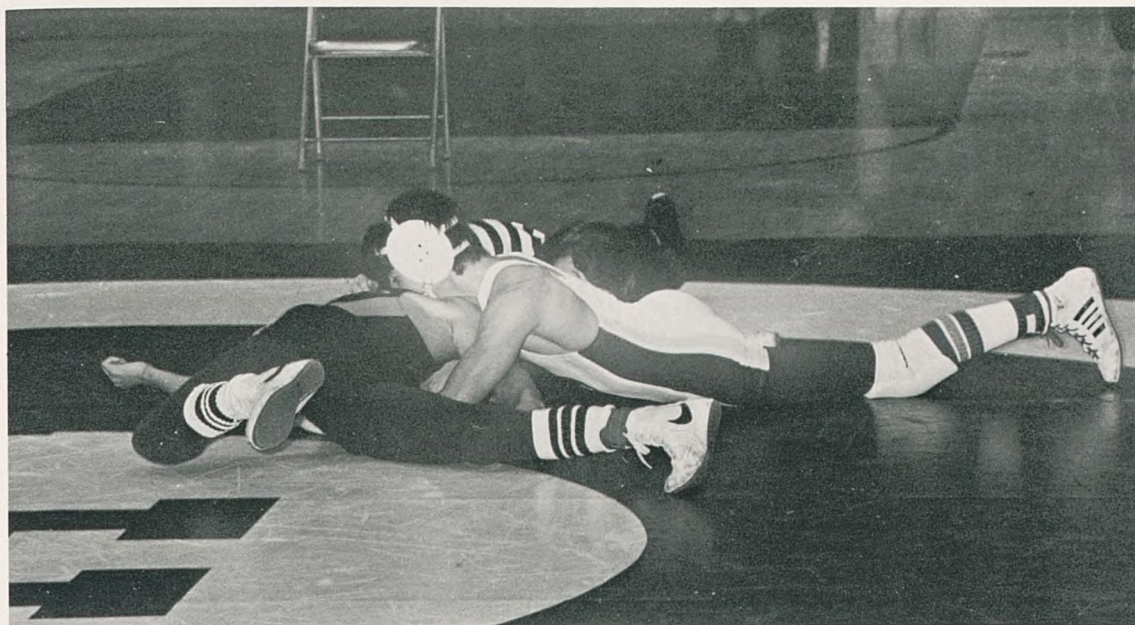

Back: Bishop, Wieck, Baker, Weiland, DeLay, Stumb, Front: Huddleston, Jordan, McLaughlin, Patterson, Anderson, Duffey, Crow, Russell.

MBA's three All—NIL wrestlers (Patterson, Huddleston, and McLaughlin) advanced to the state by placing in the Region III competition first, third, and fourth respectively.

Next year means the loss of five fine seniors from the wrestling team; but returning sophomores Galt Baker, Bob Russell, John Anderson, and Charlie Duffey plus some promising freshmen provide hope for the '76-'77 season. Coach Buck feels that another summer wrestling clinic excursion will be helpful for next year.

Freshman Wrestling

Back: Hatcher, Henderson, Huddleston, Alford, Bennett, Frost, McLaughlin, Regen, Davis, O'Connor, Berry. Front: Jacques, Sullivan, Richardson, Cohen, May, Warnock, Daniels.

Under the coaching of Mr. Gaither, the Freshman wrestlers had a successful season despite winning only two dual matches. The Little Red recorded wins over BGA and

Hillwood. In tournament competition, Mark Frost finished second. The team, led by Bobby Huddleston, George McLaughlin, and Russ Regen, will help the varsity in future seasons.

Varsity Soccer

The 1975-76 Montgomery Bell Soccer Team continued the tradition of excellent soccer play on the Hill and once again proved to be one of the leading teams in the state.

Led by senior co-captains Les Coble and Clinton Regen, the team started its long season with practice in November and ended with a very respectable third place finish in the State Soccer Tourney at the end of February. Altogether, the team played thirteen regular season games, posting a record of 8-2-3 and three tournament games.

The team was hampered at the start of the season by injuries, but soon came around to its potential with key victories over McCallie, M.U.S., St. Andrews, and arch-rival Father Ryan. Winning second seed in the state tournament, MBA went on to beat M.U.S. in the first game to lose to a tough Baylor team in the semi-finals, and defeat Father Ryan in the consolation game.

Back: Statistician T. Hannon, Garner, Wilson, Norling, J. Hannon, Robinson, Gibbs, Friedman, McWhirter, Nordquist, Lanham, Morgan, Mgr. R. Burrus.
Front: Moench, Bolster, Brown Chernau, Kirkpatrick, Coble, Berry, Schull, G. Burrus, Milam, Estes.

Consistently good play was shown throughout the year by Dale Berry, Brion Friedman, Don Orr, and Bob Bolster. Boyd Gibbs was named to the First All-State Team while Les Coble, Dale Berry, Brion Friedman, and Boyd Gibbs represented MBA in the East-West All Star Game. Next year's team has a bright future with the return of starters Mike Chernau, Albert Brown, David Schull, and Tommy Lanham.

JV Soccer

1976 marked the JV Soccer team's first season as an entity separate from the varsity. The team played only three games, losing to Ryan and Castle Heights and defeating McGavock; however, even these three contests allowed some young players to demonstrate their ability.

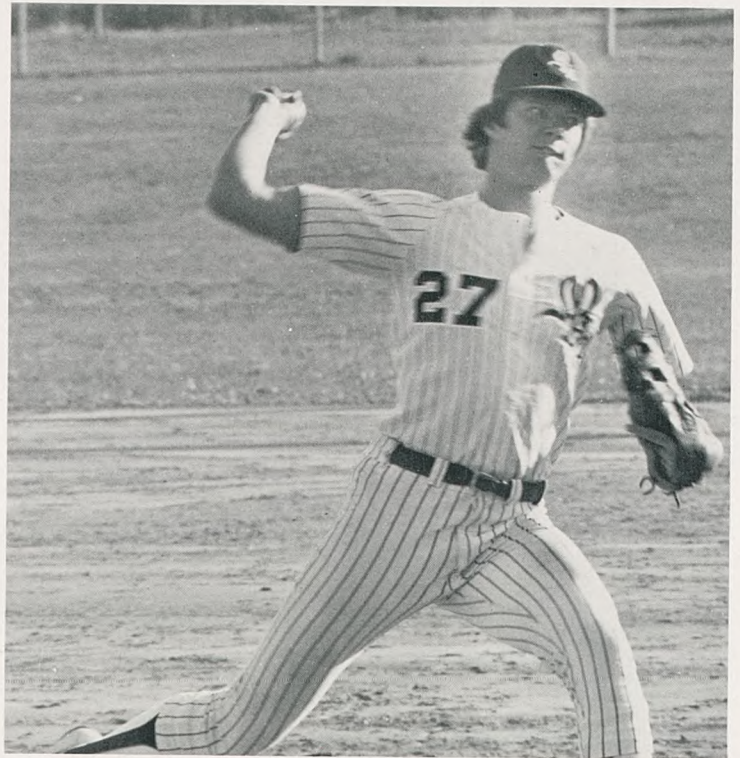

Five members of the team were able to help the varsity, and one player who began on the JV finished the season with a varsity letter. According to Coach Michael Drake, Jerry Mace, Tim Crenshaw, Carter Williams, and Marshall Summar were particularly outstanding throughout the season.

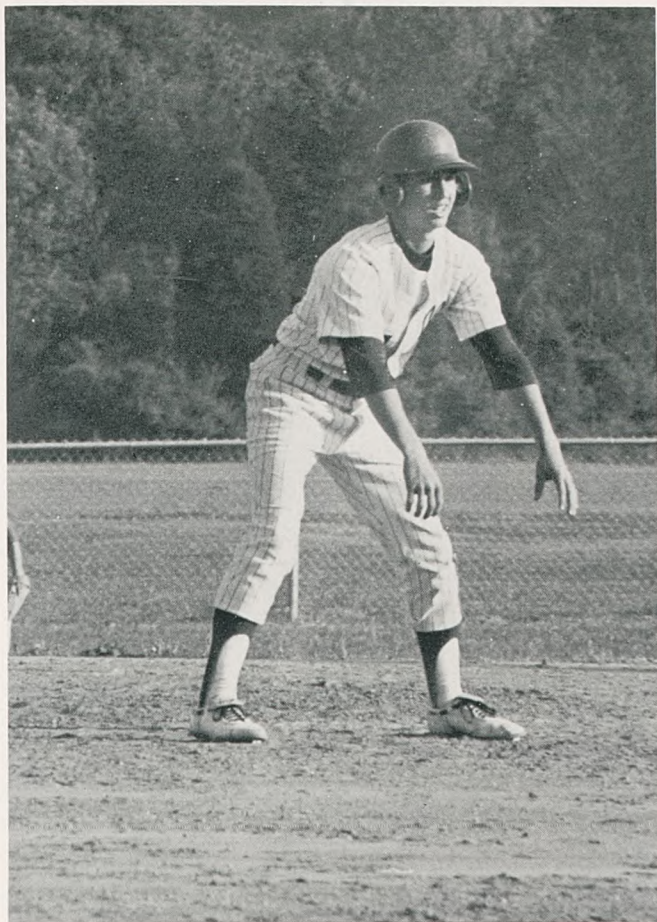

Back: Claybrook, Fox, Hawkins, Thompson, Galloway, Gustafson, Summar, T. Crenshaw, Hawiger, Hitt, Wallace, Johnson.
Front: Bennett, Fort, Williams, O'Neal, Elliston, T. Kurtz, T. Hannon, Glezer, Taylor, Richardson, O'Neill, Manser, B. Kurtz, Manser, Lewis.

Varsity Baseball

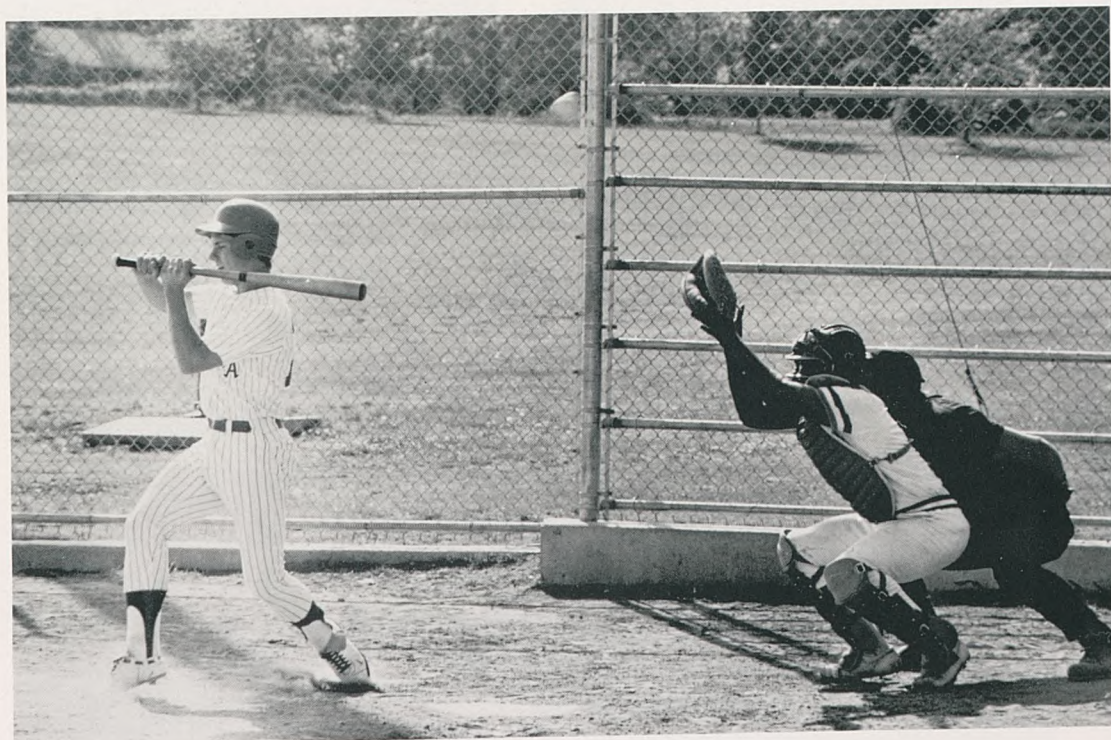

Though failing to finish first in their district, the 1976 MBA baseball team had a relatively successful season. The Big Red posted ten wins against five losses in district play, and posted an overall mark of twelve wins and six losses. The team was led by the consistent pitching of Mike Ralston who made the All-NIL squad and who compiled a record of seven wins and no losses. Highlights of the season were wins over 24th district champion Bellevue, arch-rival Father Ryan, Overton, and 23rd district champion Lipscomb.

Back: Coach Ramsey, Holland, Tillman, Whittier, M. Ralston, Birch, B. Ralston, Novak, Coach Jefferson. Front: Patterson, Owens, Tune, Hill, Smith, Duke, Brown.

The team was led in hitting by Jerry Patterson, Barry Duke, Bill Smith, Steve Birch, and John Hill. Pitching well for the team were Tom Tillman, Gage Whittier, and Barry Ralston. Though the team will lose five seniors who contributed greatly to the team, next year's team possesses the experience and talent necessary to win the district crown.

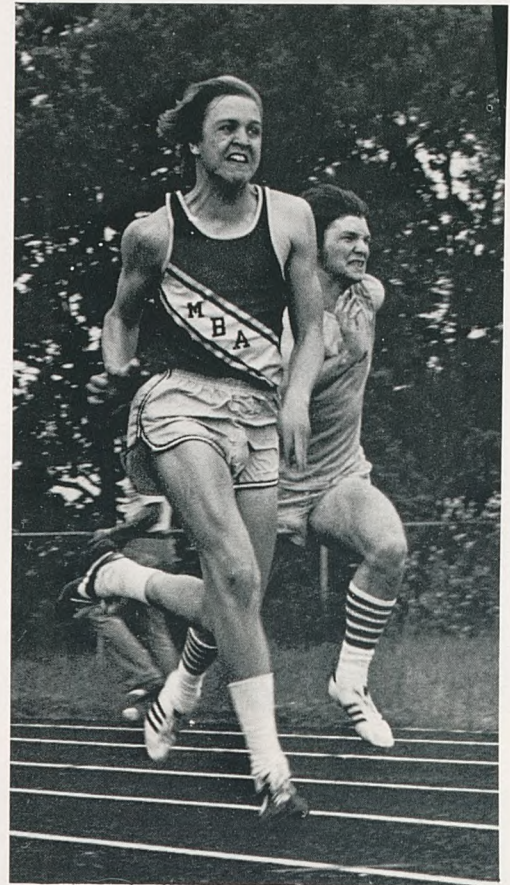

Varsity Track

The 1976 Track team, under the coaching of Messrs. Drake and Havelly, got off to a slow start but kicked in with some good performances to place third in the district.

The team compiled a one and four dual meet record, the victory coming over Franklin. Opening the season on a cold night against Mt. Juliet, Ken Witt and Greer Bogle ran well in the mile and 440, respectively. The next week, the Big Red fell to McGavock. However, Rol Luplow won the discus, Ken Witt again won the mile, John Rebrovick won the 440, and the mile and two mile relay teams finished first.

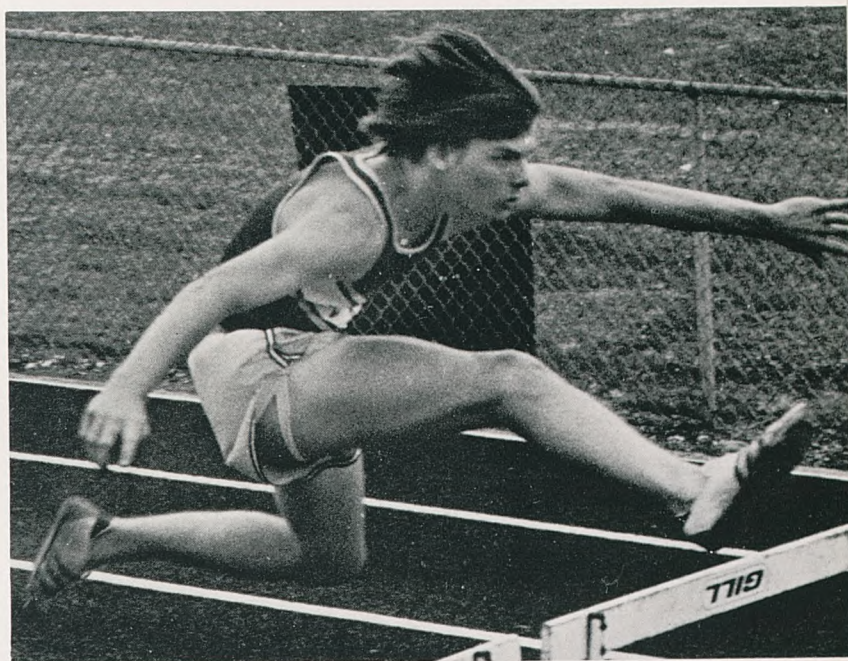

Against Franklin, Ralph Moore took the discus, Raymond Lackey the 220, and the MBA team won the mile relay. Ken Witt turned in good times in both the 880 and the two mile run in a losing effort against Franklin. Closing out the dual meet season at BGA, Ralph Moore won the discus and John Rebrovick won the 440.

Row 1: Lackey, Wallace, Crenshaw, West, Witt, Bogle, Glezer, Anderson, Mader. Row 2: Rebrovick, Burrus, Simon, Moench, Wilson, Whitson, Simpson, Smith, Hawiger, Tenison, O'Neal, Phillips, Moore. Row 3: Justice, McClure, Patterson, Workman, Lassing, Reasons, Anthony, Linn, Gustafson, Archer.

The distance medley relay team of Bogle, Rebrovick, Glezer, and Witt took ten seconds off the MBA distance medley record with a second place finish at the Baylor Relays. In the Optimist Relays at Overton, good performances were turned in by Moore, Witt, and the mile relay team. The next week in the Banner Relays deciding the NIL championship, MBA finished a respectable eleventh in the city. Ken Witt broke the school record in the mile run with a time of 4:28.1 and missed the two mile record by a half a second, placing third in both events. In the district contest, MBA ran extremely well, placing third in team standings and sending three relay teams and some individuals to the Regionals at McGavock.

Varsity Golf

The Varsity Golf Team was undefeated in regular District matches with record of 10-0.

In other matches, the team recorded impressive victories over strong Overton and Clarksville teams.

Playing well for the Big Red were Danny Newman, Grady Burrus, William Morgan, John Hamilton, Curt Cole, and John Coleman.

Hamilton, Zeitlin, Burrus, Morgan, London, Comish, Rowland, Shanks, and Cole.

Standout performances were posted by Danny Newman in qualifying for the regional championship and by William Morgan in finishing sixth in the NIL Tournament.

The outlook for the '77 season is promising since all of the starters are returning along with Head Coach Scotty Fairbairn.

Varsity Tennis

Coach Jim Poston led the 1976 varsity tennis team to an impressive 19-3 record, including another NIL championship. Individually, the star was captain Bobby Thym (top, next page), who went further in the post-season tournaments than anyone since Rip Trammel four years ago.

Thym won the district tournament in a hard fought match with David Templeton (bottom, next page) for the championship. He then marched to the regional finals, where he lost to BGA's Tim Stewart. In the state tourney, Thym defeated David Link of Knoxville before bowing out to Andy Avram of McCallie in the quarterfinals. He finished off the year by receiving the NIL's Most Valuable Player Award.

David Templeton played at the number one position in his freshman year and showed tremendous promise. He accomplished a major upset by defeating Joel Mulkin of Baylor in a dual match.

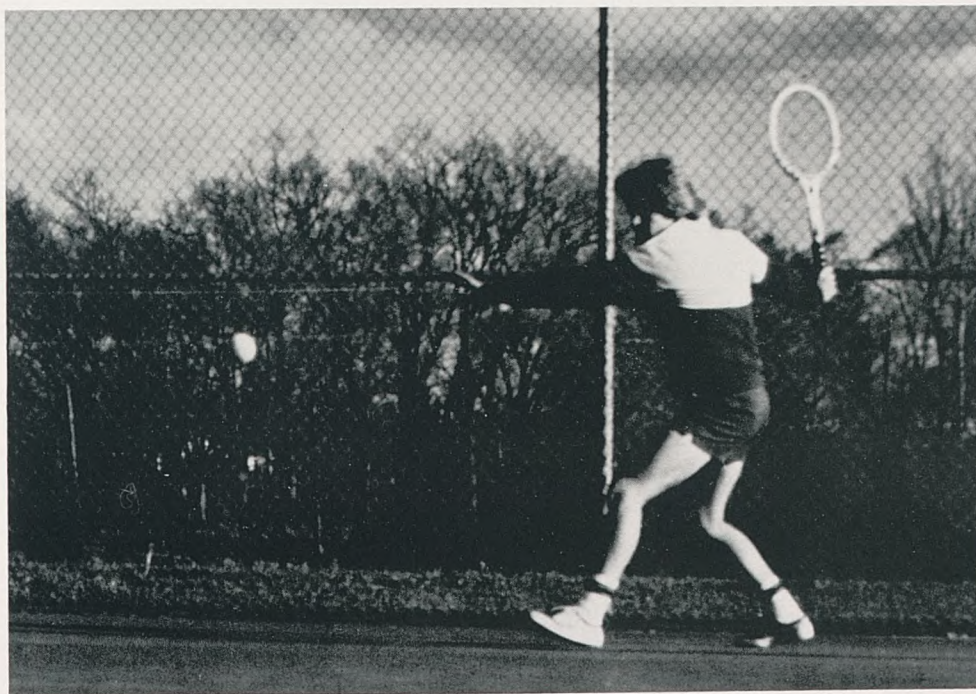

Back: Garrett, Daniel, Thym, Calton, Barry, Templeton. Front: Sawyers, Burrus, Ingram, Eskind, Johnson, Wheeler, Evans.

The first annual MBA Invitational Tournament was a major success. Memphis University School won the championship, while MBA finished third. Ross Evans won the number six division, while three other Big Red netters and two doubles teams reached the finals.

A strong nucleus returns for next year's team led by Templeton, Evans, Charles Sawyers, and Bill Calton, who upset the top seed in the district.

Riflery

The Rifle Team, coached by Mr. Stevens, Mr. Sutton, and Mr. Woolwine, again had a most successful season. MBA placed first in all three Youth Incorporated matches led by Bill Hobbs, Pittman Haymore, and Skip Woolwine.

In the NRA Jr. Sectional, the team composed of Woolwine, Haymore, Hobbs, and Hamilton finished first. Individually, Woolwine finished first, Haymore second, and Hobbs fourth.

Finally, at the State Championship held at Vanderbilt, MBA became the number one Civilian team in Tennessee with Woolwine, Haymore, Hobbs, and Hamilton placing first.

Also Skip Woolwine was the third place civilian finisher.

TAD

Of the many activities at MBA, the intramural soccer team is probably the least recognized. The members of the Varsity IC team don't receive a letter or any recognition. Yet these dedicated athletes daily brave the cold weather and play a brand of soccer which makes rollerball look like tiddlywinks. Plagued by a high absentee rate, Coach Walker assisted by his friend Larry Stetson prepared the team for its one-game season, a grudge match with the JV Soccer team. The JV team, realizing that they were over-matched, resorted to using a secret weapon—rules. No one on the IC team had ever heard of unnecessary roughness. The IC team persevered and lost a hard-fought match 3-0.

The prospects for next year look good. The IC team only loses to graduation seniors Charles Elliot, Matt Cowan, Kirk Gutman, Skip Woolwine, and John Rebrovick. Returning stars are Phil Gibbs, Clint Summers, Byron Burrus, Randy Foster, Bill Collins, Hugh Novak, and Tom Tillman. The loss of Coach Walker is the team's greatest problem for the future.

Freshman Track

The Freshman Track team had one of its most outstanding years this year. Led to victory with the incomparable coaching of Mr. Compton and Mr. Harkey, the Frosh placed fourth in the Baylor Relays and first in the Optimist Meet, Banner Relays, District, Clarksville Invitational, and the Middle Tennessee District Meets.

Outstanding performances were by Craig Stewart, who was undefeated in the 440 and holds the school's, the Banner Relays, and the Middle Tennessee District's record in the 440; Erich Groos, who holds the school record in the mile and 880 with times of 4:43.1 and 2:06.6 respectively; Trey Alford, who set the Clarksville Invitational pole vault record with a vault of 10 feet 10 inches; Richard Smith, who heaved a best throw of 50 feet 10 1/2 inches in the shot put this year; Bennett White, who ran the mile in 4:52.2; and Russ Freeman, who threw the discus for a best throw of 149 1/2 feet. Other notables were Tad Wert, Paul Wieck, Danny Todd, and Vernon Taylor.

... diurnally familiar moments nearly never noticed; and ...

... life on the Hill *involves* elements so diverse, so complex, and often so intangible as to be indefinable. The people, the ideas, the events, the moods—all melt into subconscious images, memories, *nostalgia*. Riding a bike through study hall, losing to Father Ryan, contemplating the prospect of girls on campus, trying to figure out who are the freaks and who are the rednecks, spending the night with a hot theme—each specific becomes lost in and yet contributes to the amalgamation of a year's sensations at MBA.

The images and facts of one year out of the institution's one hundred nine years of existence can be covered only superficially in the two hundred-odd pages of an annual; it can serve, nevertheless, as cue to the comprehensive memory of the essence of the individual's *involvement* at Montgomery Bell Academy.

Life on the Hill, it seems, *involves* the students in itself just as the students themselves *involve* the Hill in Life. As years accrue and each student flows through the experience of the Hill and beyond it to make his mark in Life elsewhere, this *involvement*, the intrinsic strength of the school, lends a quality all the more significant, impressive, undeniable to the *nostalgia* which the contents of the 1976 *Bell* suggest to that son of Montgomery Bell Academy.

Epilogue

Thanks

May 29, 1976

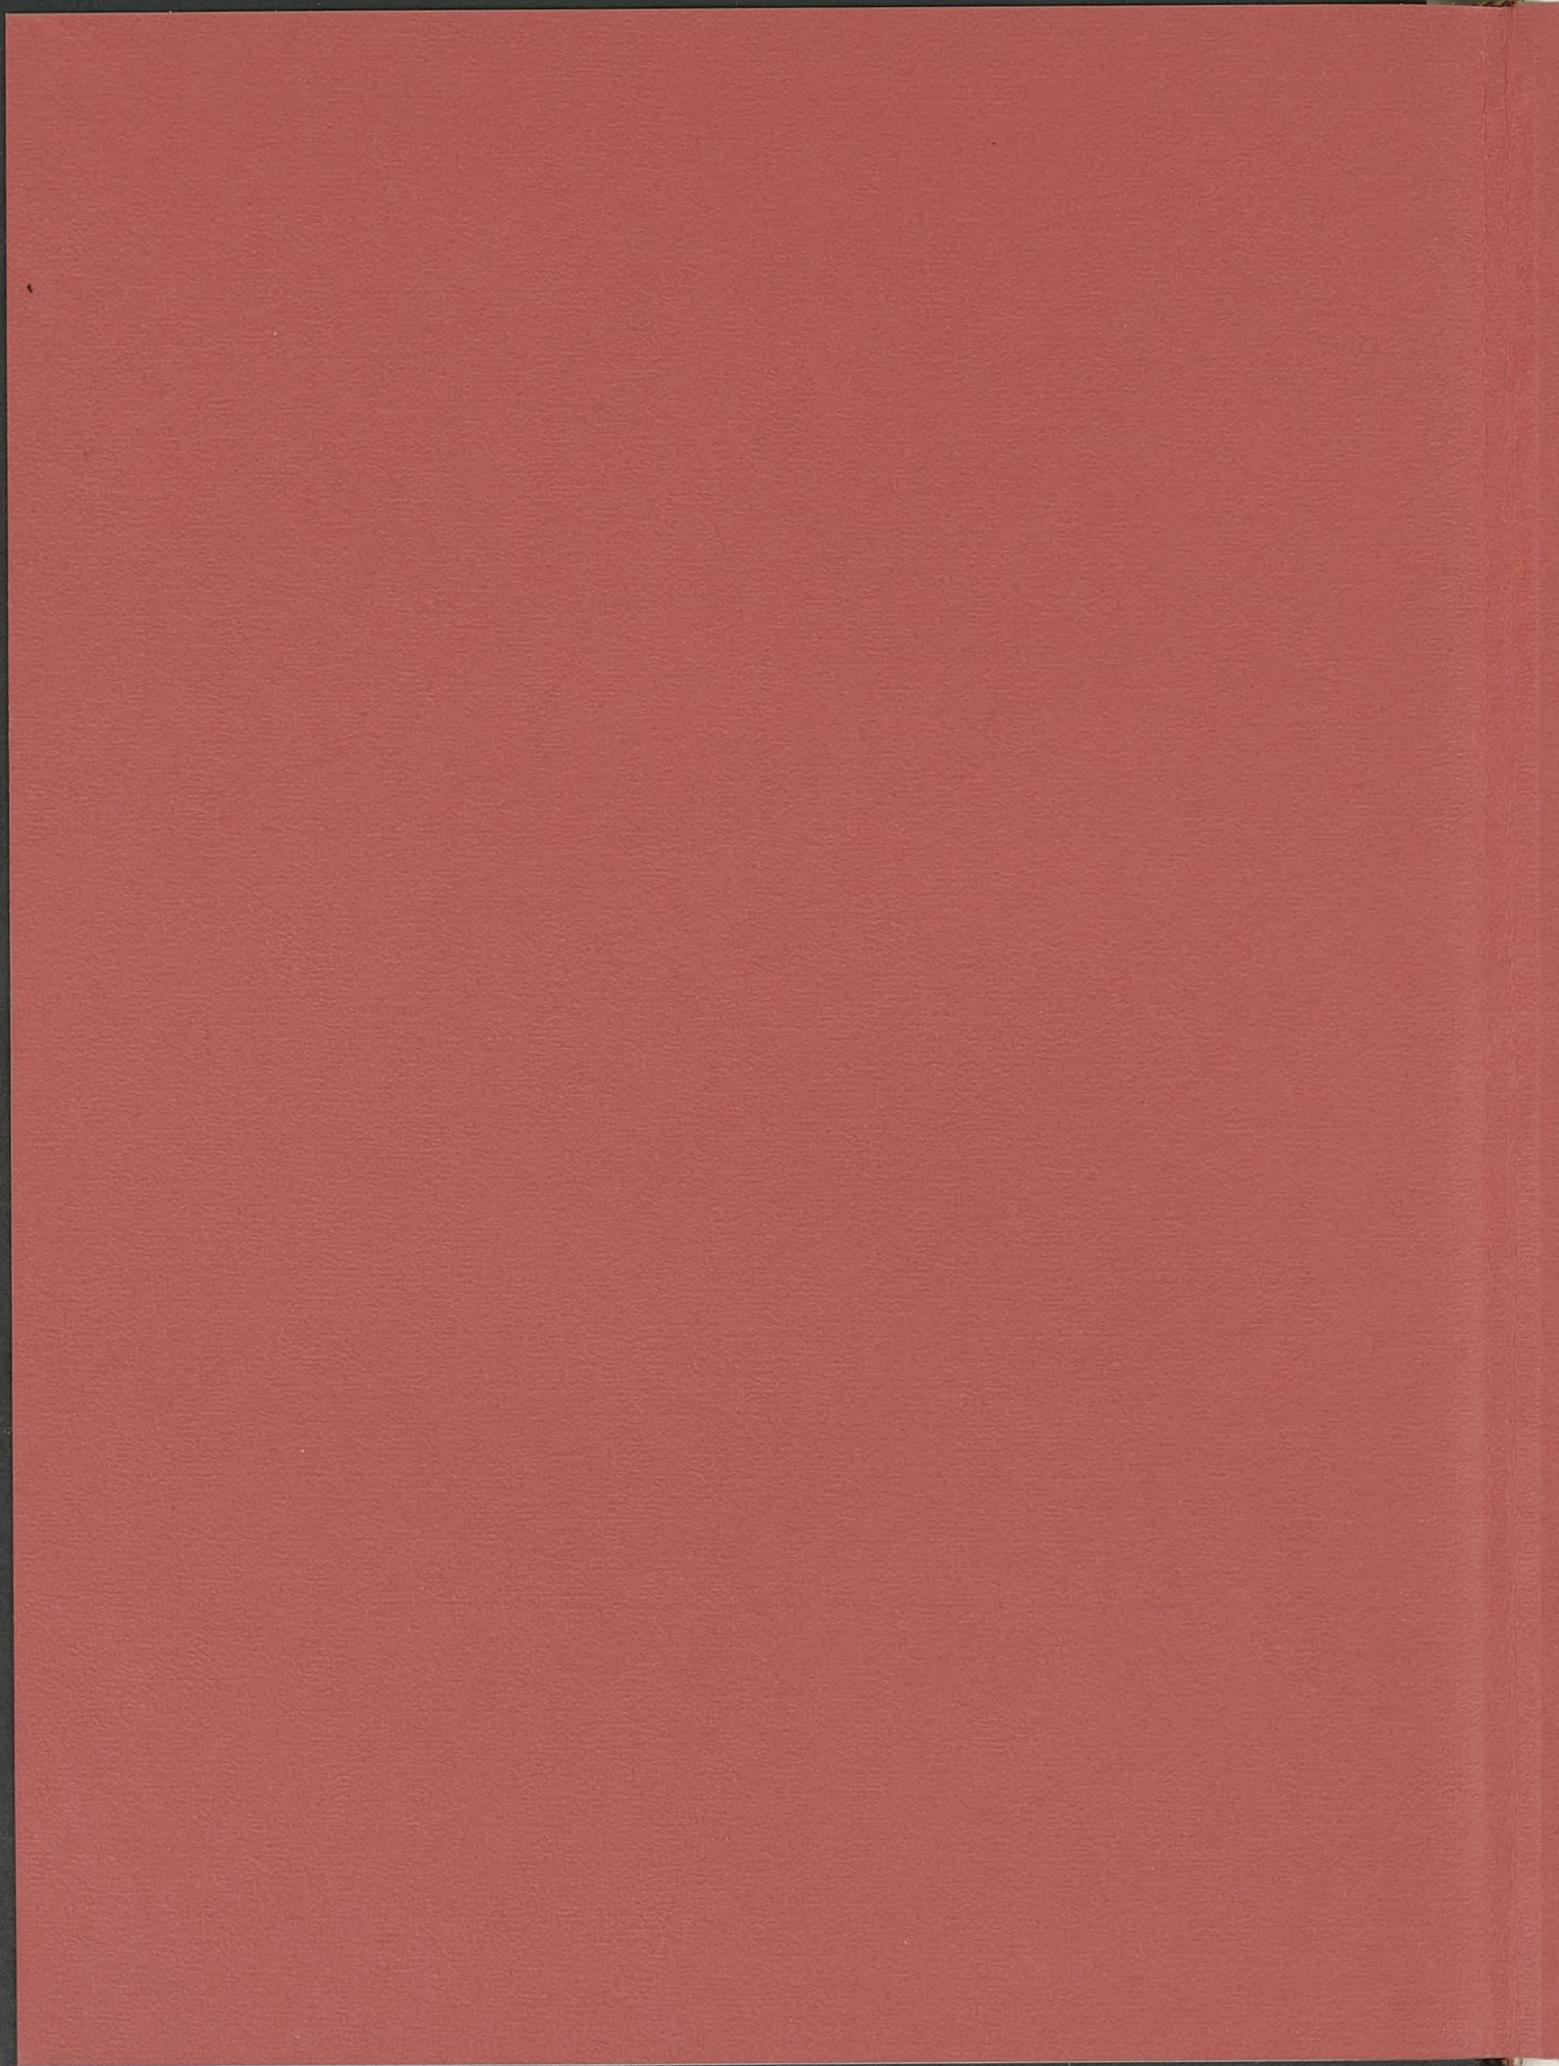

I would like to thank:

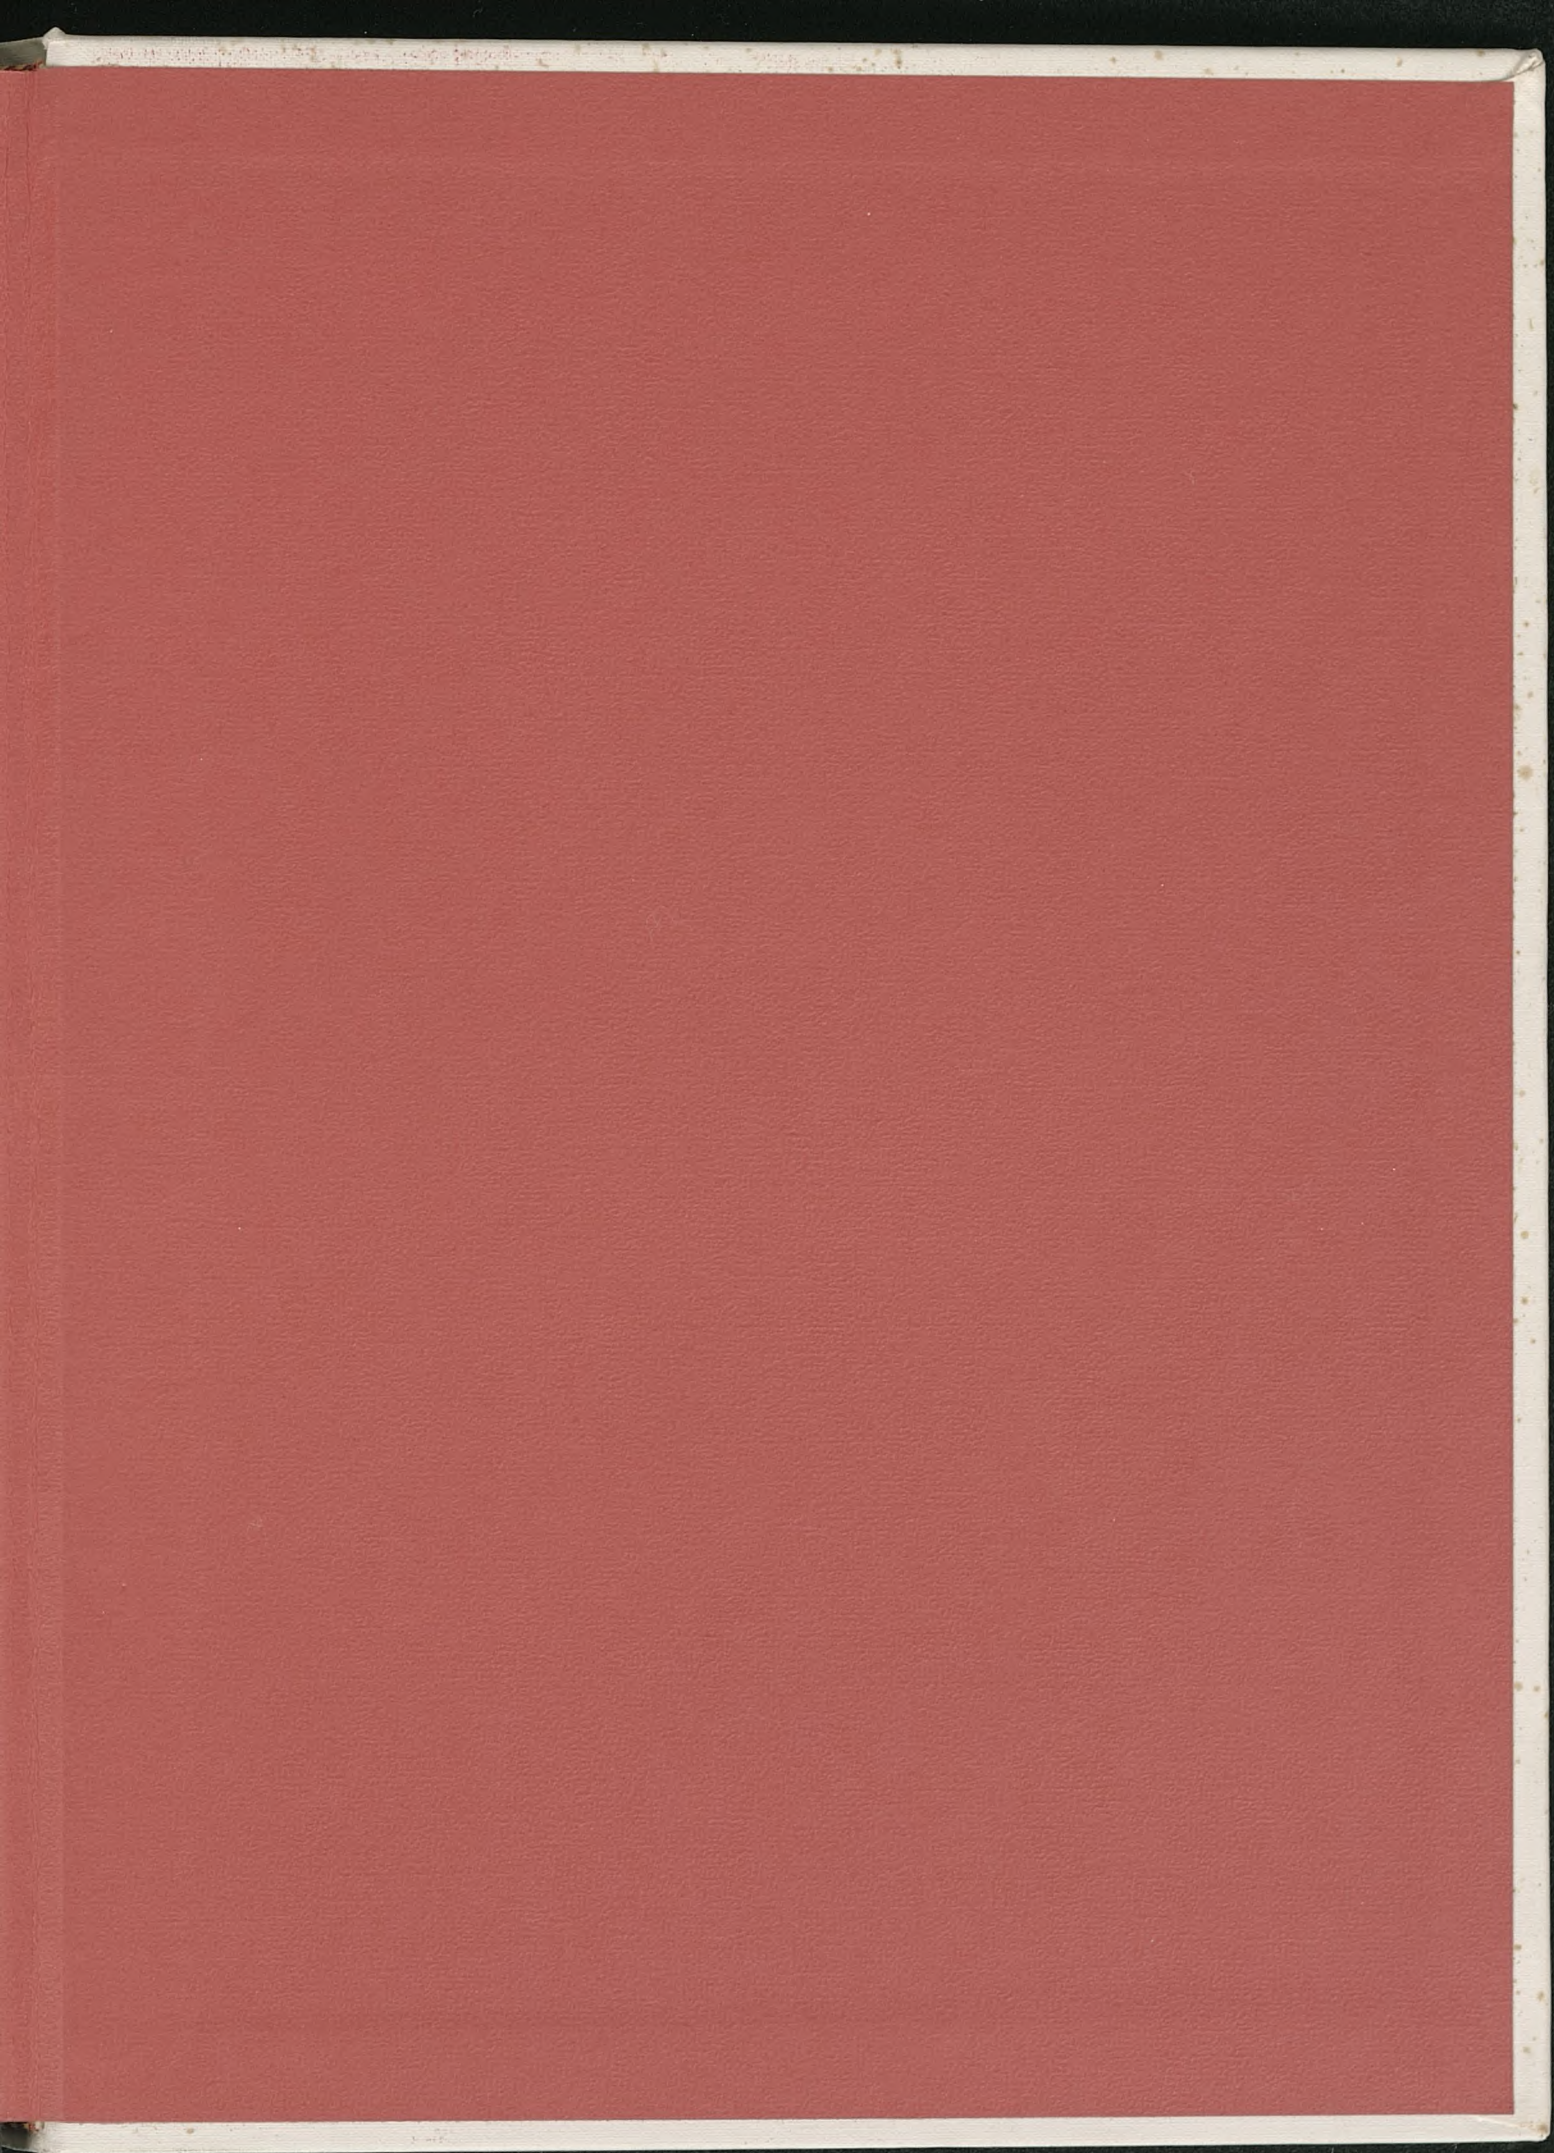

- Jeff Glezer and Charles Sawyers for their invaluable help, and minimum of grumbling, in the production of this annual;
- Kenny McLaughlin for the wrestling picture which appears on page 106;
- all the photographers, but especially Wayne Hucaby who is wholly responsible for the superior quality and quantity of the photos in this annual;
- all the editors—Wayne, Randy Lea, Andy May, Chip Williams, Steve Zager, and Trip Doss;
- Mrs. Carter for her motivating presence, taste, and restraint from bowdlerization;
- Mr. Walker for his help while Mrs. Carter was in the hospital and his suggestions;
- Mr. Medlin for the Dennis the Menace caption;
- Jim Baker and the entire PTL Club for something to laugh at at 3:00 A.M. when there were seemingly infinite pages to go and little other motivation to laugh;
- Carl and Mad for the break;
- Scott Englert for his pecuniary skills;
- Scooter and JJ's;
- Mr. Benson;
- the student body for not beating me up when they found out they wouldn't get the annual at commencement;
- Dr. Fairbairn for being the only member of the faculty who on his own initiative expressed approval of my idea of publishing the annual late;
- anybody else who helped me get this thing out and was overlooked on this page;
- and my parents for putting up with me during the labor pains concomitant to the birth of this turkey.

Sincerely,

John F. Teborich

The Bell
